4 coin-operated device is put in operation or placed where the same
5 may be operated by any of the public, and at all times when the same
6 is being operated or available to any of the public for operation, a
7 decal shall be firmly affixed to the coin-operated device covered
8 thereby, and plainly visible to and readable by the public. The Tax
9 Commission may refuse to issue a decal to any person delinquent in
10 the payment of the fees provided in Section 1503 of this title or
11 the penalties levied in Section 1506 of this title. Provided, the
