2 lives down the street, across the country, and around the world; and

3 WHEREAS, the Red Cross, though not a government agency itself,

5 planning community to respond to disasters of all types; and

6 WHEREAS, last year, through a statewide network of chapters,
7 Oklahoma's Red Cross provided food, clothing, shelter, first aid,
8 mental health care and comfort during the almost daily response to

10 WHEREAS, the Red Cross is saving lives every day, providing
11 nearly 40 percent of the country's blood supply through blood drives
12 across the state and country; and

13 WHEREAS, last year, Red Cross training programs, such as First

16 skills they need to respond to life-threatening emergencies; and

17 WHEREAS, as part of its humanitarian mission, the Red Cross
18 provides the only worldwide communications link between service
19 members and their loved ones through emergency communications,
20 referrals and briefings to family members on services available to
21 them; and

22 WHEREAS, preparedness is a vital part of the Red Cross mission,
23 and the Red Cross, in partnership with state and local agencies, is
