"SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1431.2 of Title 63, unless there is created a duplication in numbering, reads as follows:

It shall be unlawful for a person under eighteen (18) years of age to use any tanning device of any tanning facility in this state unless such person receives written consent from a parent or guardian and such parent or guardian is physically present during use of the tanning device.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1431.3 of Title 63, unless there is created a duplication in numbering, reads as follows:

A person who is the owner, lessee or operator of a tanning facility shall post in a conspicuous place in each tanning facility owned, leased or operated by that person in this state a notice, available on the State Department of Health's website, that states all of the following:

1. That it is unlawful for a tanning facility or operator to allow a person under eighteen (18) years of age to use any tanning device, unless such person receives written consent from a parent or guardian and such parent or guardian is physically present during use of the tanning device;
2. That a tanning facility or operator that violates one or more provisions of this section may be subject to a civil penalty;
3. That an individual may report a violation of one or more provisions of this section to the local law enforcement agency; and
4. That health risks associated with tanning include but are not limited to skin cancer, premature aging of skin, burns to the skin and adverse reactions to certain medications, foods and cosmetics.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1431.5 of Title 63, unless there is created a duplication in numbering, reads as follows:

The owner, lessee or operator of a tanning facility shall ensure that all of the following requirements are fulfilled:

1. No customer under eighteen (18) years of age is permitted to use the tanning facility, unless such person receives written consent from a parent or guardian and such parent or guardian is physically present during use of the tanning device. Proof of age may be satisfied with a driver license or other government-issued identification containing the date of birth and photograph of the individual;

2. During operating hours there is present at the tanning facility a trained operator who is able to inform customers about, and assist customers in, the proper use of tanning devices;

3. Each tanning device is properly sanitized after each use;

4. Each customer, before he or she begins to use a tanning device, is provided with properly sanitized and securely fitting protective eyewear that protects the wearer's eyes from ultraviolet radiation and allows enough vision to maintain balance at no cost;

5. Customers are not allowed to use a tanning device unless the customer uses protective eyewear;

6. Each tanning device is equipped with a mechanism that allows the customer to turn the tanning device off;

7. Each customer is limited to the maximum exposure time recommended by the manufacturer for their skin type;

8. Customers are not allowed to use a tanning device more than once every twenty-four (24) hours;

9. The interior temperature of the tanning facility does not exceed one hundred (100) degrees Fahrenheit; and

10. The following records are maintained: copies of all consent forms signed by customers; a record of each customer's total number of tanning visits at the facility; the dates and durations of tanning exposures; and any injury reports for a period of three (3) years after exposure for each customer."
