15 SECTION 1. AMENDATORY 43A O.S. 2011, Section 10-105, is  
16 amended to read as follows:

17 Section 10-105. A. Upon receiving a report of alleged abuse,  
18 neglect, or exploitation of a vulnerable adult pursuant to the  
19 provisions of the Protective Services for Vulnerable Adults Act, the  
20 Department of Human Services shall make a prompt and thorough  
21 investigation.

22 B. The investigation by the Department shall include:

23 1. Notification of local law enforcement agency. Upon the  
24 request of a law enforcement agency, the Department shall submit

1 copies of any results or records of an examination on the vulnerable  
2 adult who is alleged to have been abused, neglected, or exploited  
3 and any other clinical notes, x-rays, photographs, or previous or  
4 current records relevant to the case;

5 2. Any findings of abuse, neglect, or exploitation of a  
6 vulnerable adult shall also be sent to any state agency with  
7 concurrent jurisdiction over persons or issues identified in the  
8 investigation including, but not limited to, where appropriate, the  
9 State Department of Health, the Oklahoma Board of Nursing, or any  
10 other appropriate state licensure or certification board, agency, or  
11 registry;

12 3. Every reasonable effort to locate and notify the caretaker,  
13 legal guardian and next of kin of the vulnerable adult who may be in  
14 need of protective services pursuant to Section 10-105.1 of this  
15 title;

16 4. Diagnostic evaluation to determine whether the person needs  
17 protective services;

18 5. Any photographs necessary to document injuries or conditions  
19 which have resulted or may result in an injury or serious harm to  
20 the person;

21 6. A statement of the least restrictive services needed;

22 7. Whether services are available from the Department or in the  
23 community and how the services can be provided;

1 8. Whether the person would be capable of obtaining services  
2 for self and could bear the cost or would be eligible for services  
3 from the Department;

4 9. Whether a caretaker or legal guardian would be willing to  
5 provide services or would agree to their provision;

6 10. Whether the person desires the services;

7 11. A statement of any follow-up investigation or monitoring of  
8 the services that may be needed; and

9 12. Other relevant information.

10 C. 1. a. The Department's investigation shall include a visit

11 to the home or other place of residence of the person  
12 who is the subject of the report, a private interview  
13 with such person, and consultation with persons who  
14 have knowledge of the circumstances.

15 b. If, in the course of an investigation of this nature,  
16 the Department is denied entrance to the home or other  
17 place of residence of a person believed to be a  
18 vulnerable adult in need of protective services, or is  
19 denied a private interview with the vulnerable adult,  
20 the Department may petition the court for an order  
21 allowing entry to the premises or private access to  
22 the vulnerable adult. The court shall make a finding  
23 of probable cause of the vulnerability of the adult  
24 before issuing the order. If documentation, or access

1 to records, or other information relating to such  
2 person as provided by this section is denied, the  
3 Department may petition the court for an order  
4 allowing entry or access.

5 2. The petition shall state the name and address of the person  
6 who is the subject of the report and shall allege specific facts  
7 sufficient to show that the circumstances of the person are in need  
8 of investigation.

9 3. If it is necessary to forcibly enter the premises, the  
10 representative of the Department shall make the entry accompanied by  
11 a peace officer.

12 4. The Department shall make all reasonable attempts to  
13 interview the caretaker or other persons alleged to be involved in  
14 the abuse, neglect or exploitation in order to enhance service  
15 provision and to prevent additional incidents of abuse, neglect or  
16 exploitation.

17 D. When a report is received pertaining to a vulnerable adult  
18 who has a legal guardian, a copy of the investigative report of the  
19 Department shall be filed with the court to which the guardian is  
20 accountable.

21 E. 1. In the case of a final investigative report pertaining  
22 to a vulnerable adult who is a resident of a nursing facility,  
23 residential care facility, assisted living facility or continuum of  
24 care facility and who is alleged to be a victim of abuse, verbal

1 abuse, neglect, or exploitation by an employee of such facility, the  
2 Department shall forward to the State Department of Health and to  
3 the facility a copy of the Department's final investigative report.  
4 If the complainant is a facility resident, the resident's  
5 representative or a current employee of the facility, the Department  
6 shall keep the complainant's identity or other information which may  
7 identify the complainant confidential.

8 2. The Department of Human Services shall be deemed a party  
9 pursuant to the Administrative Procedures Act for the investigative  
10 reports filed by the Department with the State Department of Health  
11 regarding vulnerable adults who are residents of nursing facilities,  
12 residential care facilities, assisted living facilities or continuum  
13 of care facilities.

14 a. Within thirty (30) days of receipt of the final  
15 investigative report submitted by the Department of  
16 Human Services pursuant to this section, the State  
17 Department of Health shall provide the Department of  
18 Human Services with a written summary of any action  
19 taken as a result of the complaint including, but not  
20 limited to, results of any inspections, enforcement  
21 actions or actions which may be taken by the State  
22 Department of Health.

23 b. Whenever the Department of Human Services believes  
24 that the conditions giving rise to a complaint by the

1 Department alleging a serious threat to the health,  
2 safety or welfare of a resident of a nursing facility,  
3 residential care facility, assisted living facility or  
4 continuum of care facility have not been adequately  
5 addressed, the Department of Human Services may  
6 request the State Department of Health to hold a  
7 hearing on the complaint as provided by Section 309 of  
8 Title 75 of the Oklahoma Statutes.

9 3. Nothing herein shall prevent the State Department of Health  
10 from conducting any type of investigation or taking any appropriate  
11 remedial or other action pursuant to the provisions of the Nursing  
12 Home Care Act, the Residential Care Act and the Continuum of Care  
13 and Assisted Living Act.

14 F. When a report is received pertaining to a vulnerable adult  
15 residing in a facility other than the home of the vulnerable adult,  
16 where persons are employed to provide care and those employees have  
17 been named as persons responsible for the abuse, neglect or  
18 exploitation, the Department shall forward its final findings,  
19 including, but not limited to, any administrative appeal findings to  
20 the owner or administrator of the facility to prevent further  
21 incidents.

23 amended to read as follows:  
24

2 determines, as a result of its investigation, that a vulnerable  
3 adult needs protective services, the Department shall immediately  
4 provide or arrange for the provision of available protective  
5 services in the least restrictive manner, provided the person  
6 affirmatively consents to receive these services.

7 B. 1. When a caretaker of a vulnerable adult who consents to  
8 the receipt of protective services refuses to allow the provision of  
9 such services to the person, the Department may petition to the  
10 court for a decree enjoining the caretaker from interfering with the  
11 provision of protective services to the person.

12 2. The complaint must allege specific facts sufficient to show  
13 that the person is a vulnerable adult in need of protective  
14 services, consents to the receipt of protective services, and that  
15 the caretaker refuses to allow the provision of such services.

16 3. If the court finds that the person is a vulnerable adult in

5 for the care of the vulnerable adult.

6 C. If a vulnerable adult does not consent to the receipt of  
7 protective services or withdraws consent to the receipt of such  
8 services, the services shall be terminated, unless the Department  
9 determines that the person lacks capacity to consent, in which case  
10 the Department may seek court authorization to provide services  
11 pursuant to Section 10-108 of this title.

12 D. 1. Payment for the costs of providing protective services  
13 shall be made from either:
