

1 Enterprise Services, there is hereby established the "Criminal
2 Justice Information Systems Center for Excellence" to provide shared
3 infrastructure services for such agencies. The Criminal Justice
4 Information Systems Center for Excellence shall be under the
5 administrative control of the Chief Information Officer.

6 B. In establishing and operating the Criminal Justice
7 Information Systems Center for Excellence through the Information
8 Services Division, the Chief Information Officer shall collaborate
9 with agencies subject to criminal justice information system
10 requirements. The Chief Information Officer, in conjunction with
11 the Commissioner of Public Safety, shall establish an appropriate
12 governance model for priorities, shared services and systems for the
13 Criminal Justice Information Systems Center for Excellence. The
14 Chief Information Officer may utilize the Criminal Justice
15 Information Systems Center for Excellence to accomplish such other
16 purposes as may be necessary for the administration of the duties of
17 the Information Services Division that are related to stringent
18 federal or state data security requirements, provided the security
19 of investigative and law enforcement information and support systems
20 is not jeopardized.

21 SECTION 2. This act shall become effective November 1, 2015.
