

1           WHEREAS, suicide is the highest cause of death from a traumatic  
2 brain injury; and

3           WHEREAS, the risk of traumatic brain injury is the highest among  
4 adolescents, young adults and those older than 75; and

5           WHEREAS, TBI Raiders is an organization whose mission is to help  
6 students and young adults who have sustained a traumatic brain  
7 injury succeed in both school and in their lives; and

8           WHEREAS, TBI Raiders' purpose is to teach job and leadership  
9 skills and provide students with and without disabilities the  
10 opportunity to not only work together, but to also learn from one  
11 another while improving their schools and communities; and

12           WHEREAS, TBI Raiders' goal is to increase awareness about  
13 traumatic brain injury and provide those living with the disability  
14 with more opportunities and to help them see they are capable of so  
15 much more.
