6 AS INTRODUCED

7 An Act relating to Advanced Metering Infrastructure
8 (AMI); requiring certain notice and acceptance by
9 certain electric customers prior to installation of
AMI; stating requirements for disclosure; providing
for codification; and providing an effective date.

10
11 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

12 SECTION 1. NEW LAW A new section of law to be codified
13 in the Oklahoma Statutes as Section 720.1 of Title 17, unless there
14 is created a duplication in numbering, reads as follows:

15 A. Prior to the installation of any advanced metering
16 infrastructure (AMI), a public utility operating in this state and
17 regulated under the authority of the Corporation Commission shall be
18 required to provide residential and commercial customers with an AMI
19 product disclosure, requiring a signature of acceptance by the
20 customer authorized as required by the Commission.

21 B. The required disclosure shall contain the following:

22 1. A list of possible benefits to the customer requesting an
23 AMI meter;

1 2. A privacy disclosure listing the amount and type of data
2 collected by an AMI meter and specific parties with whom the data
3 may be shared;

4 3. A list of the known biological effects that occur with low-
5 frequency radio-frequency radiation (RF) and electromagnetic fields
6 (EMF) as documented in the BioInitiative 2012 Report, A Rationale
7 for Biologically-based Exposure Standards for Low-intensity
8 Electromagnetic Radiation; and

9 4. A statement as follows: "In some instances AMI meters have
10 overheated and ignited."

11 C. The public utility, upon written request, shall provide an
12 existing customer with previously installed AMI a copy of an AMI
13 product disclosure.

14 SECTION 2. This act shall become effective November 1, 2015.
