Section 625.2

- C. The credit provided pursuant to Section 625.1 of this title shall only be allowed for maintenance of a regional home office on or after January 1, 2020, if the Oklahoma Legislature reauthorizes this section after review of the report required pursuant to paragraph 14 of Section 5017 of Title 74 of the Oklahoma Statutes.

\$18,831,786 in credits were taken in 2014. Using that number as an estimate for 2020, the result of a 100% reduction would be an **\$18,831,786 in reduced credits / increase in tax revenue.**
