Room 248

Re: RBH No. 5907

RBH No. 5907 would change the definition of a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act to include a cost of living adjustment if funded status of the system is at least 80% after the increase.

RBH No. 5907 is a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
