Re: RBS No. 807

RBS No. 807 would allow a participant who retired from a Higher Education Institution to contract as a part time employee if the participant has been retired less than 2 years and continue to receive retirement benefits from OTRS. Current law limits the teaching time to 6 hours.

This bill would allow more to retire early and continue to receive OTRS benefits.

RBS No. 807 is a fiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
