Wholesalers are also prohibited from purchasing annually in excess of fifteen percent (15%) of their inventory of any individual brand of spirits or wine from one or more wholesalers. The volume of spirits and wine and of each brand that each wholesaler is permitted to purchase annually from other wholesalers shall be calculated by the ABLE Commission by multiplying fifteen percent (15%) by:

- a. the total volume of spirits sales of the wholesaler, by liter, from the previous calendar year, and

- b. the total volume of wine sales of the wholesaler, by liter, from the previous calendar year, and
- c. the volume of sales of each brand of spirits or wine of the wholesaler, by liter, from the previous calendar year.

A wholesaler who did not post any sales of spirits, wine or of a particular brand in the previous calendar year shall be deemed to have sold the same volume of spirits, wine or of a particular brand as the wholesaler posting the smallest volumes of sales in spirits, wine or of a particular brand for that year for the purposes of this paragraph. Notwithstanding the foregoing, wholesalers shall not purchase any inventory in spirits or wine from any other wholesaler until such time that the purchasing wholesaler possesses an inventory valued at no less than Two Hundred Fifty Thousand Dollars (\$250,000.00). All purchase orders for these top eighteen brands must show an expected due delivery date. These purchase orders may only be canceled with prior approval of the Director of the ABLE Commission, unless a wholesaler shall have in its warehouse a fifteen-day supply of merchandise on such purchase order.

In order to allow the ABLE Commission to determine the top eighteen brands, wholesalers must submit to the ABLE Commission every sixty (60) days a sworn affidavit listing their top twenty-five brands in sales for the previous sixty (60) days, excluding sales to wholesalers. Such affidavits shall be submitted in conjunction with the original price postings of wholesalers.

A fifteen-day supply of a particular brand for a particular wholesaler shall be based upon the market share of the wholesaler, determined by first multiplying the total number of liters of such brand sold by all wholesalers to all retailers during the previous calendar year by the percentage that the total sales of wine and spirits of the particular wholesaler, in liters, for such calendar year bears to the total sales of wine and spirits, in liters, reported by all wholesalers for such calendar year; and then dividing by twenty-four (24); provided, that a fifteen-day supply for a wholesaler who has not been in business for the entirety of the previous calendar year shall be deemed to be equal to that of the wholesaler who was in business for the entirety of the previous calendar year and who reported the lowest volume of sales of wine and spirits, in liters, of any wholesaler having been in business for such period.

This requirement shall only apply inside a motion picture theater auditorium where individuals under the legal age to consume alcohol are allowed. A mixed beverage licensee whose main purpose is hosting live performance art presentations may utilize the services of a licensed caterer for its alcoholic beverage service as long as it is not open to the public more than one hundred twenty (120) days per year.
