or is controlled by, or is under common control with, a specified
entity or person;

3. "Base premium rate" means, for each class of business as to
a rating period, the lowest premium rate charged or which could have
been charged under a rating system for that class of business, by
the small employer carrier to small employers with similar case
characteristics for health benefit plans with the same or similar
coverage;

4. "Basic health benefit plan" means a lower cost health

Control shall be presumed to exist if any person, directly or
indirectly, owns, controls, holds with the power to vote, or holds
proxies representing ten percent (10%) or more of the voting
securities of any other person. This presumption may be rebutted by
a showing that control does not exist in fact in the manner provided
in Section 1654 of this title. The Commissioner may determine,

B. 1. Except as provided in paragraph 2 of this subsection, for the purposes of the Small Employer Health Insurance Reform Act, carriers that are affiliated companies or that are eligible to file a consolidated tax return shall be treated as one carrier and any restrictions or limitations imposed by the Small Employer Health Insurance Reform Act shall apply as if all health benefit plans issued to small employers in this state by such affiliated carriers were issued by one carrier, unless on or before July 1, 1992, the respective affiliate carriers operated with separate books of business as insurers of health benefit plans in which event each such affiliate carrier shall be treated as a separate carrier.

2. An affiliated carrier that is a health maintenance organization granted a certificate of authority by the Insurance Commissioner pursuant to the provisions of Sections 6901 through 6951 of Title 36 of the Oklahoma Statutes may be considered to be a separate carrier for the purposes of the Small Employer Health Insurance Reform Act.

4. A bona fide association health plan may not require a contract under this subsection between the bona fide association
health plan and the member to be effective for a period of longer than two (2) years. This provision shall not be construed to prevent a contract from being extended for additional two-year periods or preventing the member from voluntarily electing a contract period of longer than two (2) years.

5. Each bona fide association health plan shall be available to be marketed and sold by all licensed agents and brokers of the health carrier, at the health carrier's standard commission and/or fee schedule for the calendar year.
