2 opinion or conclusion relating to the nature, quality, value or

6 used for storage of commodities or for the disposal of waste unless
7 they are appraised as part of a federally related transaction
8 covered by the Financial Institutions Reform, Recovery, and
9 Enforcement Act of 1989. An appraisal may be classified by subject
10 matter into either a valuation or an analysis. A "valuation" is an
11 estimate of the value of real estate or real property. An
12 "analysis" is a study of real estate or real property other than
13 estimating value;

14 2. "Appraisal report" means any written or oral communication
15 of an appraisal;

16 3. "Appraisal Subcommittee" means the subcommittee created by
17 Title XI of the Financial Institutions Reform, Recovery, and
18 Enforcement Act of 1989;

19 4. "Appraiser Qualifications Board" (AQB) means the independent
20 board appointed by the Board of Trustees of the Appraisal
21 Foundation. The AQB establishes educational, experience, and
22 examination criteria for appraisers. Title XI of the Financial
23 Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989
24

1 requires that state certified appraisers must meet the minimum
2 qualifications set by the AQB;

3 5. "Board" means the Real Estate Appraiser Board established
4 pursuant to the provisions of the Oklahoma Certified Real Estate
5 Appraisers Act;

6 6. "Certification" shall refer to either a trainee appraiser, a
7 state licensed appraiser, a state certified residential appraiser or
8 a state certified general appraiser;

9 7. "Certified appraisal or certified appraisal report" means an
10 appraisal or appraisal report given or signed and certified as such
11 by a trainee appraiser, a state licensed, state certified
12 residential or state certified general real estate appraiser. When
13 identifying an appraisal or appraisal report as "certified", the
14 trainee, state licensed, state certified residential or state
15 certified general real estate appraiser must indicate which type of

17 appraiser is employed or retained to act, or would be perceived by
18 third parties or the public as acting, as a disinterested third
19 party in rendering an unbiased analysis, opinion, or conclusion

21 interests in, or aspects of, identified real estate; and

22 ~~14.~~ 15. "Specialized services" means those appraisal services
23 which do not fall within the definition of appraisal assignment.
