8	An Act relating to assisted living centers; amending Section 1, Chapter 311, O.S.L. 2019 (63 O.S. Supp.				
9	2020, Section 1-881), which relates to prescribing antipsychotic drugs to long-term care facility				
10	residents; modifying definition; amending 63 O.S. 2011, Section 1-890.8, as amended by Section 1,				
11	Chapter 248, O.S.L. 2013 (63 O.S. Supp. 2020, Section 1-890.8), which relates to the plan of accommodation for certain disabled residents; modifying criteria for prescription of antipsychotic drugs for				
12					
13	residents; requiring assessments and monitoring; listing requirements; requiring documentation; and				
14 15	providing an effective date.				
15					
10	BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:				
18	SECTION 1. AMENDATORY Section 1, Chapter 311, O.S.L.				
19	2019 (63 O.S. Supp. 2020, Section 1-881), is amended to read as				
20	follows:				
21	Section 1-881. A. As used in this section:				
22	1. "Antipsychotic drug" means a drug, sometimes called a major				
23	tranquilizer, used to treat symptoms of severe psychiatric				
24					

1 disorders, including, but not limited to, schizophrenia and bipolar
2 disorder;

3	2.	"Long	-term care facility" means:
4		a.	a nursing facility as defined by Section 1-1902 of
5			Title 63 of the Oklahoma Statutes this title,
6		b.	the nursing facility component of a continuum of care
7			facility as defined under the Continuum of Care and
8			Assisted Living Act, or
9		с.	the nursing care component of a life care community as
10			defined by the Long-term Care Insurance Act;
11	3.	"Resi	dent" means a resident as defined by Section 1-1902 of
12	Title 6 3	3 of t	he Oklahoma Statutes this title;
13	4.	"Repr	esentative of a resident" means a representative of a
14	resident	t as d	efined by Section 1-1902 of Title 63 of the Oklahoma
15	Statutes	s <u>this</u>	title; and
16	5.	"Pres	cribing clinician" means:
17		a.	an allopathic or osteopathic physician licensed by and
18			in good standing with the State Board of Medical
19			Licensure and Supervision or the State Board of
20			Osteopathic Examiners, as appropriate,
21		b.	a physician assistant licensed by and in good standing
22			with the State Board of Medical Licensure and
23			Supervision, or
24			

1 an Advanced Practice Registered Nurse licensed by and с. 2 in good standing with the Oklahoma Board of Nursing. 3 Except in case of an emergency in which the resident poses в. 4 harm to the resident or others, no long-term care facility resident 5 shall be prescribed or administered an antipsychotic drug that was not already prescribed to the resident prior to admission to the 6 7 facility unless each of the following conditions has been satisfied: 1. The resident has been examined by the prescribing clinician 8 9 and diagnosed with a psychiatric condition and the prescribed drug 10 is approved by the United States Food and Drug Administration for 11 that condition or prescribed in accordance with generally accepted 12 clinical practices;

13 2. The prescribing clinician, or a previous prescribing 14 clinician, has unsuccessfully attempted to accomplish the drug's 15 intended effect using contemporary and generally accepted 16 nonpharmacological care options, and has documented those attempts 17 and their results in the resident's medical record or has deemed 18 that those attempts would not be medically appropriate based upon a 19 physical examination by the prescribing clinician and documented the 20 rationale in the resident's medical record;

3. The facility has provided to the resident or representative
of a <u>the</u> resident a written explanation of applicable informed
consent laws. The explanation shall be written in language that the

1 resident or representative of a resident can be reasonably expected
2 to understand;

4. The prescribing clinician has confirmed with the nursing
facility verbally or otherwise that written, informed consent has
been obtained from the resident or representative of the resident
that meets the requirements of subsection C of this section; and

5. In the event a long-term care facility resident is
prescribed an antipsychotic medication in the case of an emergency,
the prescribing physician shall prescribe the minimum dosage and
duration that is prudent for the resident's condition and shall
examine the patient in person within thirty (30) days.

12 C. Except in the case of an emergency as provided for in 13 subsection B of this section, the prescribing clinician shall 14 confirm that written, voluntary informed consent to authorize the 15 administration of an antipsychotic drug to a facility resident has 16 been obtained from the resident or the representative of the 17 resident prior to the initial administration of the antipsychotic 18 drug. Voluntary informed consent shall, at minimum, consist of the 19 following:

20 1. The prescribing clinician has confirmed that a signed, 21 written affirmation has been obtained from the resident or the 22 representative of the resident that the resident has been informed 23 of all pertinent information concerning the administration of an 24 antipsychotic drug in language that the signer can reasonably be

ENGR. H. B. NO. 1877

1 expected to understand. Pertinent information shall include, but
2 not be limited to:

- 3 the reason for the drug's prescription and the a. 4 intended effect of the drug on the resident's 5 condition, the nature of the drug and the procedure for its 6 b. 7 administration, including dosage, administration schedule, method of delivery and expected duration for 8 9 the drug to be administered, 10 с. risks, common side effects and potential severe 11 adverse reactions associated with the administration 12 of the drug,
- d. the right of the resident or representative of the
 resident to refuse the administration of the
 antipsychotic drug and the medical consequences of
 such refusal, and
- e. an explanation of pharmacological and
 nonpharmacological alternatives to the administration
 of antipsychotic drugs and the resident's right to
 choose such alternatives; and

21 2. Except in the case of an emergency as provided for in
22 subsection B of this section, the prescribing clinician shall inform
23 the resident or the representative of the resident of the existence
24 of the long-term care facility's policies and procedures for

compliance with informed consent requirements. The facility shall
 make these available to the resident or representative of the
 resident prior to administering any antipsychotic drug upon request.

D. 1. Antipsychotic drug prescriptions and administration
shall be consistent with standards for dosage, duration and
frequency of administration that are generally accepted for the
resident's condition.

2. Throughout the duration of the administration of an 8 9 antipsychotic drug and at generally accepted intervals approved for 10 the resident's condition, the prescribing clinician or designee 11 shall monitor the resident's condition and evaluate drug performance 12 with respect to the condition for which the drug was prescribed. 13 The prescribing clinician shall provide documentation of the status 14 of the resident's condition to the resident or the representative of 15 the resident upon request and without unreasonable delay.

16 3. Any change in dosage or duration of the administration of an 17 antipsychotic drug shall be justified by the prescribing clinician 18 with documentation on the resident's record of the clinical 19 observations that warranted the change.

E. 1. No long-term care facility shall deny admission or continued residency to a person on the basis of the person's or his or her representative's refusal to the administration of antipsychotic drugs, unless the prescribing clinician or care facility can demonstrate that the resident's refusal would place the

ENGR. H. B. NO. 1877

health and safety of the resident, the facility staff, other
 residents or visitors at risk.

3 2. Any care facility that alleges that the resident's refusal to consent to the administration of antipsychotic drugs will place 4 5 the health and safety of the resident, the facility staff, other residents or visitors at risk shall document the alleged risk in 6 7 detail and shall present this documentation to the resident or the representative of the resident, to the State Department of Health 8 9 and to the Long-Term Care Ombudsman;, and shall inform the resident 10 or the representative of the resident of the resident's right to 11 appeal to the State Department of Health. The documentation of the 12 alleged risk shall include a description of all nonpharmacological 13 or alternative care options attempted and why they were unsuccessful 14 or why the prescribing clinician determined alternative treatments 15 were not medically appropriate for the condition following a 16 physical examination.

F. The provisions of this section shall not apply to a hospice
patient as defined in Section 1-860.2 of Title 63 of the Oklahoma
Statutes this title.

 20
 SECTION 2.
 AMENDATORY
 63 O.S. 2011, Section 1-890.8, as

 21
 amended by Section 1, Chapter 248, O.S.L. 2013 (63 O.S. Supp. 2020,

 22
 Section 1-890.8), is amended to read as follows:

23 Section 1-890.8 A. Residents of an assisted living center may 24 receive home care services and intermittent, periodic, or recurrent nursing care through a home care agency under the provisions of the
 Home Care Act.

B. Residents of an assisted living center may receive hospice
home services under the provisions of the Oklahoma Hospice Licensing
Act.

C. Nothing in the foregoing provisions shall be construed to
prohibit any resident of an assisted living center from receiving
such services from any person who is exempt from the provisions of
the Home Care Act.

D. The assisted living center shall monitor and assure the delivery of those services. All nursing services shall be in accordance with the written orders of the personal or attending physician of the resident.

E. A resident of an assisted living center or the family or
legal representative of the resident shall be required to disclose
any third-party provider of medical services or supplies prior to
service delivery.

F. Any third-party provider of medical services or suppliesshall comply with the provisions of subsection D of this section.

G. Notwithstanding the foregoing provisions, a resident of an assisted living center, or the family or legal representative of the resident, may privately contract or arrange for private nursing services under the orders and supervision of the personal or attending physician of the resident, private monitoring, private

sitters or companions, personal domestic servants, or personal
 staff.

3 H. If a resident of an assisted living center develops a 4 disability or a condition that is consistent with the facility's 5 discharge criteria:

6 The personal or attending physician of a resident, a 1. 7 representative of the assisted living center, and the resident or the designated representative of the resident shall determine by and 8 9 through a consensus of the foregoing persons any reasonable and 10 necessary accommodations, in accordance with the current building 11 codes, the rules of the State Fire Marshal, and the requirements of 12 the local fire jurisdiction, and additional services required to 13 permit the resident to remain in place in the assisted living center 14 as the least restrictive environment and with privacy and dignity;

15 2. All accommodations or additional services shall be described 16 in a written plan of accommodation, signed by the personal or 17 attending physician of the resident, a representative of the 18 assisted living center and the resident or the designated 19 representative of the resident;

3. The person or persons responsible for performing, monitoring and assuring compliance with the plan of accommodation shall be expressly specified in the plan of accommodation and shall include the assisted living center and any of the following:

24 a.

the personal or attending physician of the resident,

- 1
- b. a home care agency,
- 2 с.

a hospice, or

3

other designated persons. d.

4 The plan of accommodation shall be reviewed at least quarterly 5 by a licensed health care professional;

If the parties identified in paragraph 1 of this subsection 6 4. 7 fail to reach a consensus on a plan of accommodation, the assisted living center shall give written notice to the resident, the legal 8 9 representative or of the resident or such persons as are designated 10 in the resident's contract with the assisted living center, of the 11 termination of the residency of the resident in the assisted living center in accordance with the provisions of the resident's contract 12 13 with the assisted living center. Such notice shall not be less than 14 thirty (30) calendar days prior to the date of termination, unless 15 the assisted living center or the personal or attending physician of 16 the resident determines the resident is in imminent peril or the 17 continued residency of the resident places other persons at risk of 18 imminent harm;

19 5. If any party identified in paragraph 1 of this subsection 20 determines that the plan of accommodation is not being met, such 21 party shall notify the other parties and a meeting shall be held 22 between the parties within ten (10) business days to re-evaluate the 23 plan of accommodation; and

24

1 6. Any resident aggrieved by a decision to terminate residency 2 may seek injunctive relief in the district court of the county in which the assisted living center is located. Such action shall be 3 4 filed no later than ten (10) days after the receipt of the written 5 notice of termination. 6 When an antipsychotic drug is prescribed for a resident, the I. assisted living center shall do all of the following: 7 1. Ensure the resident is reassessed by a physician, physician 8 9 assistant, Advanced Practice Registered Nurse or registered nurse, 10 as needed, but at least quarterly, for the effectiveness and 11 possible side effects of the medication. The results of the 12 assessments shall be documented in the resident's record and 13 provided to the resident or the representative of the resident; 14 2. Ensure all resident care staff administering medications 15 understand the potential benefits and side effects of the 16 medications; and 17 3. When an antipsychotic drug is prescribed on an as-needed 18 basis (PRN) for a resident, the assisted living center shall: 19 document in the resident's record the rationale for a. 20 use and a detailed description of the condition which 21 indicates the need for administration of a PRN 22 antipsychotic drug, 23 monitor the use of PRN antipsychotic drugs for b. 24 potential harm to the resident, including, but not

1	limited to, the presence of significant adverse side
2	effects, use of the drugs for inappropriate purposes
3	such as discipline or staff convenience, or use
4	contrary to the prescription. The monitoring required
5	by this subparagraph shall be conducted by a licensed
6	health care professional and shall occur at least
7	monthly, and
8	c. document in the resident's record the results of the
9	monitoring required in subparagraph b of this
10	paragraph, including, but not limited to, the
11	effectiveness of the medication, the presence of any
12	side effects, and any inappropriate use for each PRN
13	antipsychotic drug given.
14	<u>J.</u> Nothing in this section shall be construed to abrogate an
15	assisted living center's responsibility to provide care for and
16	oversight of a resident.
17	SECTION 3. This act shall become effective November 1, 2021.
