C. For the fiscal year ending June 30, 2007, and for each fiscal year thereafter, in addition to the amount apportioned to the Rebuilding Oklahoma Access and Driver Safety Fund pursuant to subparagraph a of paragraph 2 of subsection B of this section, there shall be apportioned to such fund an additional amount of Seventeen Million Five Hundred Thousand Dollars (\$17,500,000.00) for each year that the State Board of Equalization determines that any increase between the final itemized estimate of General Revenue Fund revenues made by the State Board at the February meeting preceding the beginning of the fiscal year for which that estimate is made, which is the same fiscal year during which the apportionment to the Rebuilding Oklahoma Access and Driver Safety Fund is to be made, and the then current itemized estimate of General Revenue Fund revenues made by the State Board of Equalization for the fiscal year ending on June 30 immediately following such February meeting is less than three percent (3%).

D. For the fiscal year ending June 30, 2007, and for each fiscal year thereafter, in addition to the amount apportioned to the Rebuilding Oklahoma Access and Driver Safety Fund pursuant to subparagraph a of paragraph 2 of subsection B of this section, there shall be apportioned to such fund an additional amount of Thirty-five Million Dollars (\$35,000,000.00) for each year that the State Board of Equalization determines that any increase between the final itemized estimate of General Revenue Fund revenues made by the State Board at the February meeting preceding the beginning of the fiscal year for which that estimate is made, which is the same fiscal year

during which the apportionment to the Rebuilding Oklahoma Access and Driver Safety Fund is to be made, and the then current itemized estimate of General Revenue Fund revenues made by the State Board of Equalization for the fiscal year ending on June 30 immediately following such February meeting is three percent (3%) or greater.

E. The apportionments of revenues required by subparagraph a of paragraph 2 of subsection B of this section and the apportionment of additional revenues required by either division (1), (2) or (3) of subparagraph b of paragraph 2 of subsection B of this section, as governed by the provisions of subsection C or subsection D of this section, shall be made until the total annual apportionment to the Rebuilding Oklahoma Access and Driver Safety Fund equals One Hundred Seventy Million Dollars (\$170,000,000.00). F. The monies apportioned to the Rebuilding Oklahoma Access and Driver Safety Fund shall not be used to supplant or replace existing state funds used for transportation purposes.

G. In order to ensure that the funds from the ROADS Fund are used to enhance and not supplant state funding for the Department of Transportation, the State Board of Equalization shall examine and investigate expenditures from the fund each year. For purposes of this examination, monies used to retire outstanding debt obligations for which the Department of Transportation is responsible shall be excluded. At the meeting of the State Board of Equalization held within five (5) days after the monthly apportionment in February of each year, the State Board of Equalization shall issue a finding and report which shall state whether expenditures from the ROADS Fund were used to enhance or supplant state funding for the Department of Transportation. If the State Board of Equalization finds that state funding for the Department of Transportation was supplanted by funds

from the ROADS Fund, the Board shall specify the amount by which such funding was supplanted. In this event, the Legislature shall not make any appropriations for the ensuing fiscal year until an appropriation in that amount is made to replenish state funding for the Department of Transportation.

H. In the event that the Director of the Office of State Finance declares a General Revenue Fund revenue failure pursuant to Section 41.9 of Title 62 of the Oklahoma Statutes, and agency allocations are reduced pursuant to the provisions of Section 41.9 of Title 62 of the Oklahoma Statutes, the amounts that would otherwise be apportioned to the ROADS Fund by subparagraphs a, b and c of paragraph 1 and subparagraphs a and b of paragraph 2 and paragraph 3 of subsection B of this section shall be reduced by a percentage equal to that required of the General Revenue Fund appropriations to state agencies and such reductions shall occur during the entire fiscal year and for any month during which such reductions are required by the Office of State Finance and by the same percentage as that required of the agencies for such General Revenue Fund appropriations.

I. The Department of Transportation shall use the monies in the Rebuilding Oklahoma Access and Driver Safety Fund for:
