The conference committee substitute for SB1714 restores the title and enacting clause.

SB1714 adds new language requiring state agencies for the purpose of awarding contracts to:

- Give preference to goods and services that have been manufactured or produced in this state if the price, fitness, availability and quality are otherwise equal, and
- Give preference to goods and services from another state over foreign goods or services if goods or services manufactured or produced in this state are not equal in price, fitness, availability, or quality.

State agencies must also add a percent increase to the bid of a nonresident bidder equal to the percent, if any, of the preference given to the bidder in the state in which the bidder resides. in the state in which the bidder resides.”
