Fiscal Analyst: Diane Thomas

SB 489 expands the sales tax exemption for 100% disabled veterans to include sales to the surviving spouse of a deceased qualified veteran if the surviving spouse has not remarried. The sales qualifying for exemption are limited to \$15,000 per year.

The measure also changes the classification of the punishment for vendors who willfully and intentionally refuse to honor the sales tax exemption from a \$500 administrative fine to a misdemeanor and a fine not to exceed \$500 administered by local law enforcement.

**Fiscal Analysis**

Information obtained from the Oklahoma Department of Veteran Affairs, indicates there are about 2,365 surviving spouses who will qualify for the exemption. Multiplying \$15,000 (the expenditure threshold limitation) by 2,365 surviving spouses, results in total taxable expenditures of \$35.5 million for FY08. Applying the state sales tax rate of 4.5% yields a decrease in state sales tax collections of \$1.6 million. The anticipated decrease in state sales tax collection (assuming an annual inflation rate adjustment of 2.9%) is \$1,690,307. With an effective date of November 1, 2009 there is an estimated decrease in state sales tax collections of \$987,012 for FY10 and a decrease of \$1,739,326 for FY11.

**Long Term Fiscal Considerations**
