Representative Armes
Room 433-B

Senator Bennington

Re: Proposed Committee Substitute for Engrossed Senate Bill No. 2130
RBH No. 10324

Proposed Committee Substitute for Engrossed Senate Bill No. 2130 is a cleanup bill and also contains language required for Oklahoma Firefighters Pension and Retirement System to remain an IRS qualified plan.

The bill removes the requirement that a member of the Oklahoma Law Enforcement Retirement System be retired at age 60, provided the member had at least 20 years of service.

Proposed Committee Substitute for Engrossed Senate Bill No. 2130 is a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
