10 SECTION 5. AMENDATORY 56 O.S. 2011, Section 238.6B, is
11 amended to read as follows:

12 Section 238.6B A. The Department of Human Services may serve a

17 mother, father or child resides. Service of the notice shall be in
18 the same manner as a summons in a civil action pursuant to Section
19 2004 of Title 12 of the Oklahoma Statutes.

20 B. The notice shall be verified and have attached to it a copy
21 of any acknowledgment of paternity and shall state:

22 1. The name and date of birth of any minor children, along with
23 the name of the natural mother and custodian, if different than the
24 mother or putative father;

1 2. The amount of child support and other support, including the

4 Section 118 of Title 43 of the Oklahoma Statutes;

5 3. The amount of reimbursement for the costs of the birth and
6 the reasonable expenses of providing for said child which has

11 4. That health insurance for the child whenever such insurance
12 is available through employment or other group health insurance plan
13 and that payment of proportionate share of any unreimbursed health

15 5. The amount of reimbursement requested for the costs of the
16 genetic test to determine paternity, if any;

17 6. That an immediate income assignment will be effectuated for
18 payment of current support and any judgments entered;

19 7. That in the absence of an acknowledgment of paternity, a
20 notice to appear and show cause shall be issued to the putative
21 father which directs the putative father to appear and show cause
22 why the administrative judge should not determine him to be the
23 father of any such children, liable for the support requested in the
24

1 notice, for the costs accrued and accruing or the amount to be paid
2 thereon;

3 8. That if paternity is disputed and no acknowledgment of
4 paternity has been executed under the Uniform Parentage Act, the
5 Administrative Law Judge shall enter an order directing genetic
6 tests to determine paternity and advise the putative father that if
7 he fails to appear he will be in default and an order will be
8 entered against him. If the putative father is not excluded, and
9 the statistical probability of paternity according to scientifically
10 reliable genetic tests including, but not limited to, blood tests is
11 at least ninety-nine percent (99%) and he is contesting the issue of
12 paternity, he may request the Department to remove the action to
13 district court to determine paternity. If the statistical
14 probability of paternity is ninety-nine percent (99%), and the
15 father does not request the Department to remove to district court
16 within fourteen (14) days of the Department mailing the genetic test
17 or other test results, determination of paternity shall become final
18 for all intents and purposes and may be overturned only by appeal to
19 district court. Any such request shall be in writing and served on
20 the Department personally or by registered or certified mail;

21 9. That if the putative father fails to appear at the genetic
22 testing, show cause, or any subsequent hearing or if no notice to
23 appear for genetic testing was served and no hearing is requested on
24 or before twenty (20) days from the date of service, the finding of

1 paternity shall become final and a support order entered. The order
2 shall be docketed with the district court in the county of residence
3 of the custodian or the child. If neither the custodian nor the
4 child reside in the state, the order shall be docketed in the county
5 of residence of the noncustodial parent. The support order shall be
6 enforced in the same manner as an order of the district court;

7 10. That at any time after paternity is determined, the
8 Department may set a hearing to determine the child support
9 obligation, if child support has not already been established.
10 Failure to appear at the hearing will result in a support order
11 being entered against the noncustodial parent; and

12 11. That if the mother and father have voluntarily signed an
13 acknowledgment of paternity pursuant to the Uniform Parentage Act,
14 the duly executed acknowledgment of paternity is considered a legal
15 finding of paternity, subject to the right of any signatory to
16 rescind the acknowledgment within the earlier of:

- 17 a. sixty (60) days, or
18 b. the date of an administrative or judicial proceeding
19 relating to the child, including but not limited to a
20 proceeding to establish a support order, in which the
21 signatory is a party.

22 After the sixty-day period referred to in subparagraph a of this
23 paragraph, a duly executed acknowledgment of paternity may be
24 challenged in court only in accordance with the Uniform Parentage

1 Act. The legal responsibilities, including but not limited to child
2 support obligations, of any signatory arising from the
3 acknowledgment may not be suspended during the challenge, except for
4 good cause shown.

5 This paragraph shall not be interpreted to authorize the
6 rescission of an acknowledgement of paternity if such rescission
7 would be prohibited under applicable federal law.

8 C. The Department may accept voluntary acknowledgments of
9 support liability and support amounts.

10 D. If the name of the father has not been entered on the
11 child's birth certificate, the Department of Human Services shall
12 notify the State Department of Health, Division of Vital Records who
13 shall enter the name of the father, and if known, the date of birth
14 and the place of birth of the father, on the birth certificate.

15 E. If child support services are being provided pursuant to
16 Section 237 of this title, prior to the issuance of the notice of
17 paternity and support obligation, a father who denies paternity and
18 who has not signed an acknowledgment of paternity under the Uniform
19 Parentage Act may request that a genetic test be administered. The
20 request for testing shall be in writing and served on the Department
21 personally or by registered or certified mail.

22 F. If a request for testing is made pursuant to subsection B or
23 E of this section, the Department shall arrange for the test and,
24 pursuant to rules promulgated by the Department, may advance the

1 cost of the testing. The Department shall mail a copy of the test
2 results by a certificate of mailing to the last-known address of the
3 father. If a request for genetic tests was made pursuant to
4 subsection E of this section, the Department shall mail the notice
5 of paternity and support obligations to the father by certificate of
6 mailing to the last-known address of the father.

7 G. If genetic testing pursuant to subsection B or E of this
8 section excludes a person from being a natural parent, the
9 Department shall dismiss any pending court or administrative
10 collection proceedings against the person. The State Department of
11 Health, Division of Vital Records shall remove the name of the
12 person listed as the father from the birth certificate, upon notice
13 from the Department that the person has been excluded by genetic
14 testing. Once paternity is established, the State Department of
15 Health, Division of Vital Records shall correct its records and
16 amend the birth certificate to reflect the name of the father.

17 H. If both the custodian mother and the father agree to change
18 the surname of the child to that of the father, the administrative
19 law judge may order the name changed. Upon receipt of an order
20 changing the child's surname, the State Department of Health,
21 Division of Vital Records shall correct its records and amend the
22 birth certificate to reflect the name change.

23 I. All docketed administrative orders shall be modified and
24 enforced in the same manner as an order of the district court.

1 J. The lump-sum judgment established for support owed prior to
2 the establishment of the current support order shall draw interest
3 pursuant to Section 114 of Title 43 of the Oklahoma Statutes.

4 SECTION 6. RECODIFICATION 63 O.S. 2011, Section 1-240,
5 shall be recodified as Section 440 of Title 10 of the Oklahoma
6 Statutes, unless there is created a duplication in numbering.

7 SECTION 7. RECODIFICATION 63 O.S. 2011, Section 1-241,
8 shall be recodified as Section 441 of Title 10 of the Oklahoma
9 Statutes, unless there is created a duplication in numbering.
