7 A. The Oklahoma Employment Security Commission shall give
8 notice to each base period employer of a claimant promptly after the
9 claimant is issued his or her fifth week of benefits by the
10 Commission or promptly after the Commission receives notice of the
11 amounts paid as benefits by another state under a reciprocal
12 arrangement. Notice shall be deemed given under this subsection
13 when the Commission deposits the same with the United States Postal
14 Service addressed to the employer at an address designated by the
15 employer to receive the notice or at the employer's last-known
16 address. If the employer has elected to be notified by electronic
17 means according to procedures set out in Oklahoma Employment
18 Security Commission rules, notice shall be deemed to be given when
19 the Commission transmits the notification by electronic means.

20 Notice shall be presumed prima facie to have been given to the

8 objection must set forth specifically:

9 1. The date on which the employment was terminated;

19 C. Upon receipt of the employer's written objections, the
20 Commission shall make a determination as to whether or not the
21 employer is entitled to be relieved from the charging of benefit
22 wages. The Commission shall promptly notify the employer of that
23 determination. Provided further, the twenty-day time period for
24

1 filing written objections with the Commission as provided for in
2 subsection B of this section may be waived for good cause shown.

2 representative shall, as soon as practicable, make a written order
3 setting forth its findings of fact and conclusions of law, and shall
4 send it to the employer.

5 E. If any employer fails to file a written protest within the
6 period of fourteen (14) days, as provided by subsection D of this
7 section, then the determination shall be final, and no appeal shall
8 thereafter be allowed.

9 F. The employer or the Commission may appeal the order of the
10 Commission or its representative to the district court by filing a
11 petition for review with the clerk of that court within thirty (30)
12 days after the date the order was mailed to all parties. The
13 mailing date shall be specifically stated in the order.

15 calendar year shall be the total of the benefit wages stated in the
16 notices given to the employer by the Commission. Provided, that an
17 employer shall be relieved of a benefit wage charge if the employer
18 proves to the satisfaction of the Commission that the benefit wage
19 charge includes wages paid by the employer to any employee or former
20 employee, who:

21 1. Left employment with that employer, or with his or her last
22 employer, voluntarily without good cause connected to the work;
23
24

10 employee would have been entitled to disaster unemployment
11 assistance if he or she had not received unemployment insurance
12 benefits;

15 paragraph, "probationary period" means a period of time set forth in
16 an established probationary plan which applies to all employees or a
17 specific group of employees and does not exceed ninety (90) calendar
18 days from the first day a new employee begins work. The employee

20 (7) work days. There must be conclusive evidence to establish that
21 the individual was separated due to unsatisfactory work performance;

7 defined by the Employment Security Act of 1980 and the employee
8 continues to be employed or the employee voluntarily terminates
9 employment or is discharged for misconduct within the benefit year,
10 the employer shall be entitled to have the benefit wage charged
11 against the employer's experience rating for the employee reduced by
12 the ratio of the number of weeks of remaining eligibility of the
13 employee to the total number of weeks of entitlement.

14 I. An employer shall not be charged with benefit wages of a
15 laid-off employee if the employer lists as an objection in a
16 statement filed in accordance with subsection B of this section that
17 said employee collecting benefits was hired to replace a United
18 States serviceman or servicewoman called into active duty and laid-
19 off upon the return to work by that serviceman or servicewoman. The
20 Unemployment Compensation Fund shall be charged with the benefit
21 wages of the laid-off employee.

22 J. If the Commission receives a notice of amounts paid as
23 benefits by another state under a reciprocal agreement, and the
24

1 notice is received after three (3) years from the effective date of
2 the underlying benefit claim, no benefit wage charge will be made
3 against the employer identified in the notice, or if a benefit wage
4 charge is made based on such a notice, the employer will be relieved
5 of the charge when the facts are brought to the attention of the
6 Commission.

7 SECTION 8. AMENDATORY 40 O.S. 2011, Section 3-115, is

2 the Notice of Determination as provided for in paragraph 1 of this
3 subsection, the employer may file with the Commission, or its
4 representative, a written request for a review and redetermination
5 setting forth the employer's reasons therefor. If any employer
6 fails to file a written request for review and redetermination
7 within twenty (20) days, then the initial determination of the
8 Commission shall be final, and no further appeal or protest shall be
9 allowed.

10 3. If a written request for review and redetermination is
11 filed, the Commission shall provide for a review and issue a Notice
12 of Redetermination in the matter. The employer may appeal the
13 redetermination by filing a written protest within fourteen (14)
14 days of the date of the mailing of the Notice of Redetermination.
15 If the employer fails to file a written protest within the time
16 allowed, the redetermination of the Commission shall be final and no
17 further appeal or protest shall be allowed.

18 4. Upon the timely filing of a written protest, the Commission
19 shall provide for an oral hearing de novo to allow the employer to
20 present evidence in support of the protest. The Commission or its
21 representatives shall, by written notice, advise the employer of the
22 date of the hearing, which shall not be less than ten (10) days from
23 the date of the mailing of the written notice. At the discretion of
24

1 the Commission, this hearing shall be conducted by the Commission,
2 or by a representative appointed by the Commission for this purpose.

3 5. Pursuant to the hearing, the Commission or its
4 representative shall, as soon as practicable, make a written order
5 setting forth its findings of fact and conclusions of law, and shall
6 mail it to the employer at the employer's last-known address with
7 the mailing date and appeal rights set out in the document.

8 6. The employer or the Commission may appeal the order to the
9 district court of the county in which the employer has its principal

14 Review shall be filed with the Oklahoma County District Court. All
15 appeals shall be governed by Part 4 of Article 3 of the Employment
