6 2008, the years to which such losses may be carried  
7 back shall be determined solely by reference to  
8 Section 172 of the Internal Revenue Code, 26 U.S.C.,  
9 Section 172, with the exception that the terms "net  
10 operating loss" and "taxable income" shall be replaced  
11 with "Oklahoma net operating loss" and "Oklahoma  
12 taxable income".

14 indicated. Allowable deductions attributable to items separately  
15 allocable in subparagraphs a, b and c of this paragraph, whether or  
16 not such items of income were actually received, shall be allocated  
17 on the same basis as those items:

- 18 a. Income from real and tangible personal property, such

3 of the taxpayer, except that:

4 (1) where such property has acquired a nonunitary  
5 business or commercial situs apart from the  
6 domicile of the taxpayer such income shall be  
7 allocated in accordance with such business or  
8 commercial situs; interest income from  
9 investments held to generate working capital for  
10 a unitary business enterprise shall be included  
11 in apportionable income; a resident trust or  
12 resident estate shall be treated as having a  
13 separate commercial or business situs insofar as  
14 undistributed income is concerned, but shall not  
15 be treated as having a separate commercial or  
16 business situs insofar as distributed income is  
17 concerned,

18 (2) for taxable years beginning after December 31,  
19 2003, capital or ordinary gains or losses from  
20 the sale of an ownership interest in a publicly  
21 traded partnership, as defined by Section 7704(b)  
22 of the Internal Revenue Code of 1986, as amended,  
23 shall be allocated to this state in the ratio of  
24 the original cost of such partnership's tangible

property in this state to the original cost of such partnership's tangible property everywhere, as determined at the time of the sale; if more than fifty percent (50%) of the value of the partnership's assets consists of intangible assets, capital or ordinary gains or losses from the sale of an ownership interest in the partnership shall be allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding its tax period during which the ownership interest in the partnership was sold; the provisions of this division shall only apply if the capital or ordinary gains or losses from the sale of an ownership interest in a partnership do not constitute qualifying gain receiving capital treatment as defined in subparagraph a of paragraph 2 of subsection F of this section,

1           c.   Net income or loss from a business activity which is  
2               not a part of business carried on within or without  
3               the state of a unitary character shall be separately  
4               allocated to the state in which such activity is  
5               conducted;

6           d.   In the case of a manufacturing or processing  
7               enterprise the business of which in Oklahoma consists  
8               solely of marketing its products by:

9               (1)   sales having a situs without this state, shipped  
10               directly to a point from without the state to a  
11               purchaser within the state, commonly known as  
12               interstate sales,

13              (2)   sales of the product stored in public warehouses  
14               within the state pursuant to "in transit"  
15               tariffs, as prescribed and allowed by the  
16               Interstate Commerce Commission, to a purchaser  
17               within the state,

18              (3)   sales of the product stored in public warehouses  
19               within the state where the shipment to such  
20               warehouses is not covered by "in transit"  
21               tariffs, as prescribed and allowed by the  
22               Interstate Commerce Commission, to a purchaser  
23               within or without the state,

1 the Oklahoma net income shall, at the option of the  
2 taxpayer, be that portion of the total net income of  
3 the taxpayer for federal income tax purposes derived  
4 from the manufacture and/or processing and sales  
5 everywhere as determined by the ratio of the sales  
6 defined in this section made to the purchaser within  
7 the state to the total sales everywhere. The term  
8 "public warehouse" as used in this subparagraph means  
9 a licensed public warehouse, the principal business of  
10 which is warehousing merchandise for the public;

11 e. In the case of insurance companies, Oklahoma taxable  
12 income shall be taxable income of the taxpayer for  
13 federal tax purposes, as adjusted for the adjustments  
14 provided pursuant to the provisions of paragraphs 1  
15 and 2 of this subsection, apportioned as follows:

16 (1) except as otherwise provided by division (2) of  
17 this subparagraph, taxable income of an insurance  
18 company for a taxable year shall be apportioned  
19 to this state by multiplying such income by a  
20 fraction, the numerator of which is the direct  
21 premiums written for insurance on property or  
22 risks in this state, and the denominator of which  
23 is the direct premiums written for insurance on  
24 property or risks everywhere. For purposes of

1           this subsection, the term "direct premiums  
2           written" means the total amount of direct  
3           premiums written, assessments and annuity  
4           considerations as reported for the taxable year  
5           on the annual statement filed by the company with  
6           the Insurance Commissioner in the form approved  
7           by the National Association of Insurance  
8           Commissioners, or such other form as may be  
9           prescribed in lieu thereof,

10           (2) if the principal source of premiums written by an  
11           insurance company consists of premiums for  
12           reinsurance accepted by it, the taxable income of  
13           such company shall be apportioned to this state  
14           by multiplying such income by a fraction, the  
15           numerator of which is the sum of (a) direct  
16           premiums written for insurance on property or  
17           risks in this state, plus (b) premiums written  
18           for reinsurance accepted in respect of property  
19           or risks in this state, and the denominator of  
20           which is the sum of (c) direct premiums written  
21           for insurance on property or risks everywhere,  
22           plus (d) premiums written for reinsurance  
23           accepted in respect of property or risks  
24           everywhere. For purposes of this paragraph,

1 premiums written for reinsurance accepted in  
2 respect of property or risks in this state,  
3 whether or not otherwise determinable, may at the  
4 election of the company be determined on the  
5 basis of the proportion which premiums written  
6 for insurance accepted from companies  
7 commercially domiciled in Oklahoma bears to  
8 premiums written for reinsurance accepted from  
9 all sources, or alternatively in the proportion  
10 which the sum of the direct premiums written for  
11 insurance on property or risks in this state by  
12 each ceding company from which reinsurance is  
13 accepted bears to the sum of the total direct  
14 premiums written by each such ceding company for  
15 the taxable year.

16 5. The net income or loss remaining after the separate  
17 allocation in paragraph 4 of this subsection, being that which is  
18 derived from a unitary business enterprise, shall be apportioned to  
19 this state on the basis of the arithmetical average of three factors  
20 consisting of property, payroll and sales or gross revenue  
21 enumerated as subparagraphs a, b and c of this paragraph. Net  
22 income or loss as used in this paragraph includes that derived from  
23 patent or copyright royalties, purchase discounts, and interest on  
24 accounts receivable relating to or arising from a business activity,

1 the income from which is apportioned pursuant to this subsection,  
2 including the sale or other disposition of such property and any  
3 other property used in the unitary enterprise. Deductions used in  
4 computing such net income or loss shall not include taxes based on  
5 or measured by income. Provided, for corporations whose property  
6 for purposes of the tax imposed by Section 2355 of this title has an  
7 initial investment cost equaling or exceeding Two Hundred Million  
8 Dollars (\$200,000,000.00) and such investment is made on or after  
9 July 1, 1997, or for corporations which expand their property or  
10 facilities in this state and such expansion has an investment cost  
11 equaling or exceeding Two Hundred Million Dollars (\$200,000,000.00)  
12 over a period not to exceed three (3) years, and such expansion is  
13 commenced on or after January 1, 2000, the three factors shall be  
14 apportioned with property and payroll, each comprising twenty-five  
15 percent (25%) of the apportionment factor and sales comprising fifty  
16 percent (50%) of the apportionment factor. The apportionment  
17 factors shall be computed as follows:

- 18       a. The property factor is a fraction, the numerator of  
19           which is the average value of the taxpayer's real and  
20           tangible personal property owned or rented and used in  
21           this state during the tax period and the denominator  
22           of which is the average value of all the taxpayer's  
23           real and tangible personal property everywhere owned  
24           or rented and used during the tax period.

- 1           (1) Property, the income from which is separately  
2           allocated in paragraph 4 of this subsection,  
3           shall not be included in determining this  
4           fraction. The numerator of the fraction shall  
5           include a portion of the investment in  
6           transportation and other equipment having no  
7           fixed situs, such as rolling stock, buses, trucks  
8           and trailers, including machinery and equipment  
9           carried thereon, airplanes, salespersons'  
10          automobiles and other similar equipment, in the  
11          proportion that miles traveled in Oklahoma by  
12          such equipment bears to total miles traveled,
- 13          (2) Property owned by the taxpayer is valued at its  
14          original cost. Property rented by the taxpayer  
15          is valued at eight times the net annual rental  
16          rate. Net annual rental rate is the annual  
17          rental rate paid by the taxpayer, less any annual  
18          rental rate received by the taxpayer from  
19          subrentals,
- 20          (3) The average value of property shall be determined  
21          by averaging the values at the beginning and  
22          ending of the tax period but the Oklahoma Tax  
23          Commission may require the averaging of monthly  
24          values during the tax period if reasonably

1                   required to reflect properly the average value of  
2                   the taxpayer's property;

3       b.   The payroll factor is a fraction, the numerator of  
4           which is the total compensation for services rendered  
5           in the state during the tax period, and the  
6           denominator of which is the total compensation for  
7           services rendered everywhere during the tax period.  
8           "Compensation", as used in this subsection means those  
9           paid-for services to the extent related to the unitary  
10          business but does not include officers' salaries,  
11          wages and other compensation.

12       (1)   In the case of a transportation enterprise, the  
13              numerator of the fraction shall include a portion  
14              of such expenditure in connection with employees  
15              operating equipment over a fixed route, such as  
16              railroad employees, airline pilots, or bus  
17              drivers, in this state only a part of the time,  
18              in the proportion that mileage traveled in  
19              Oklahoma bears to total mileage traveled by such  
20              employees,

21       (2)   In any case the numerator of the fraction shall  
22              include a portion of such expenditures in  
23              connection with itinerant employees, such as  
24              traveling salespersons, in this state only a part

1 of the time, in the proportion that time spent in  
2 Oklahoma bears to total time spent in furtherance  
3 of the enterprise by such employees;

4 c. The sales factor is a fraction, the numerator of which  
5 is the total sales or gross revenue of the taxpayer in  
6 this state during the tax period, and the denominator  
7 of which is the total sales or gross revenue of the  
8 taxpayer everywhere during the tax period. "Sales",  
9 as used in this subsection does not include sales or  
10 gross revenue which are separately allocated in  
11 paragraph 4 of this subsection.

12 (1) Sales of tangible personal property have a situs  
13 in this state if the property is delivered or  
14 shipped to a purchaser other than the United  
15 States government, within this state regardless  
16 of the FOB point or other conditions of the sale;  
17 or the property is shipped from an office, store,  
18 warehouse, factory or other place of storage in  
19 this state and (a) the purchaser is the United  
20 States government or (b) the taxpayer is not  
21 doing business in the state of the destination of  
22 the shipment.

23 (2) In the case of a railroad or interurban railway  
24 enterprise, the numerator of the fraction shall

1 not be less than the allocation of revenues to  
2 this state as shown in its annual report to the  
3 Corporation Commission.

4 (3) In the case of an airline, truck or bus  
5 enterprise or freight car, tank car, refrigerator  
6 car or other railroad equipment enterprise, the  
7 numerator of the fraction shall include a portion  
8 of revenue from interstate transportation in the  
9 proportion that interstate mileage traveled in  
10 Oklahoma bears to total interstate mileage  
11 traveled.

12 (4) In the case of an oil, gasoline or gas pipeline  
13 enterprise, the numerator of the fraction shall  
14 be either the total of traffic units of the  
15 enterprise within Oklahoma or the revenue  
16 allocated to Oklahoma based upon miles moved, at  
17 the option of the taxpayer, and the denominator  
18 of which shall be the total of traffic units of  
19 the enterprise or the revenue of the enterprise  
20 everywhere as appropriate to the numerator. A  
21 "traffic unit" is hereby defined as the  
22 transportation for a distance of one (1) mile of  
23 one (1) barrel of oil, one (1) gallon of gasoline  
24

1 or one thousand (1,000) cubic feet of natural or  
2 casinghead gas, as the case may be.

3 (5) In the case of a telephone or telegraph or other  
4 communication enterprise, the numerator of the  
5 fraction shall include that portion of the  
6 interstate revenue as is allocated pursuant to  
7 the accounting procedures prescribed by the  
8 Federal Communications Commission; provided that  
9 in respect to each corporation or business entity  
10 required by the Federal Communications Commission  
11 to keep its books and records in accordance with  
12 a uniform system of accounts prescribed by such  
13 Commission, the intrastate net income shall be  
14 determined separately in the manner provided by  
15 such uniform system of accounts and only the  
16 interstate income shall be subject to allocation  
17 pursuant to the provisions of this subsection.  
18 Provided further, that the gross revenue factors  
19 shall be those as are determined pursuant to the  
20 accounting procedures prescribed by the Federal  
21 Communications Commission.

22 In any case where the apportionment of the three factors  
23 prescribed in this paragraph attributes to Oklahoma a portion of net  
24 income of the enterprise out of all appropriate proportion to the

1 property owned and/or business transacted within this state, because  
2 of the fact that one or more of the factors so prescribed are not  
3 employed to any appreciable extent in furtherance of the enterprise;  
4 or because one or more factors not so prescribed are employed to a  
5 considerable extent in furtherance of the enterprise; or because of  
6 other reasons, the Tax Commission is empowered to permit, after a  
7 showing by taxpayer that an excessive portion of net income has been  
8 attributed to Oklahoma, or require, when in its judgment an  
9 insufficient portion of net income has been attributed to Oklahoma,  
10 the elimination, substitution, or use of additional factors, or  
11 reduction or increase in the weight of such prescribed factors.  
12 Provided, however, that any such variance from such prescribed  
13 factors which has the effect of increasing the portion of net income  
14 attributable to Oklahoma must not be inherently arbitrary, and  
15 application of the recomputed final apportionment to the net income  
16 of the enterprise must attribute to Oklahoma only a reasonable  
17 portion thereof.

18 6. For calendar years 1997 and 1998, the owner of a new or  
19 expanded agricultural commodity processing facility in this state  
20 may exclude from Oklahoma taxable income, or in the case of an  
21 individual, the Oklahoma adjusted gross income, fifteen percent  
22 (15%) of the investment by the owner in the new or expanded  
23 agricultural commodity processing facility. For calendar year 1999,  
24 and all subsequent years, the percentage, not to exceed fifteen

1 percent (15%), available to the owner of a new or expanded  
2 agricultural commodity processing facility in this state claiming  
3 the exemption shall be adjusted annually so that the total estimated  
4 reduction in tax liability does not exceed One Million Dollars  
5 (\$1,000,000.00) annually. The Tax Commission shall promulgate rules  
6 for determining the percentage of the investment which each eligible  
7 taxpayer may exclude. The exclusion provided by this paragraph  
8 shall be taken in the taxable year when the investment is made. In  
9 the event the total reduction in tax liability authorized by this  
10 paragraph exceeds One Million Dollars (\$1,000,000.00) in any  
11 calendar year, the Tax Commission shall permit any excess over One  
12 Million Dollars (\$1,000,000.00) and shall factor such excess into  
13 the percentage for subsequent years. Any amount of the exemption  
14 permitted to be excluded pursuant to the provisions of this  
15 paragraph but not used in any year may be carried forward as an  
16 exemption from income pursuant to the provisions of this paragraph  
17 for a period not exceeding six (6) years following the year in which  
18 the investment was originally made.

19 For purposes of this paragraph:

- 20 a. "Agricultural commodity processing facility" means  
21 building, structures, fixtures and improvements used  
22 or operated primarily for the processing or production  
23 of marketable products from agricultural commodities.

24 The term shall also mean a dairy operation that

1 requires a depreciable investment of at least Two  
2 Hundred Fifty Thousand Dollars (\$250,000.00) and which  
3 produces milk from dairy cows. The term does not  
4 include a facility that provides only, and nothing  
5 more than, storage, cleaning, drying or transportation  
6 of agricultural commodities, and

7 b. "Facility" means each part of the facility which is  
8 used in a process primarily for:

- 9 (1) the processing of agricultural commodities,  
10 including receiving or storing agricultural  
11 commodities, or the production of milk at a dairy  
12 operation,  
13 (2) transporting the agricultural commodities or  
14 product before, during or after the processing,  
15 or  
16 (3) packaging or otherwise preparing the product for  
17 sale or shipment.

18 7. Despite any provision to the contrary in paragraph 3 of this  
19 subsection, for taxable years beginning after December 31, 1999, in  
20 the case of a taxpayer which has a farming loss, such farming loss  
21 shall be considered a net operating loss carryback in accordance  
22 with and to the extent of the Internal Revenue Code, 26 U.S.C.,  
23 Section 172(b)(G). However, the amount of the net operating loss  
24 carryback shall not exceed the lesser of:

1           a.     Sixty Thousand Dollars (\$60,000.00), or

2           b.     the loss properly shown on Schedule F of the Internal  
3                 Revenue Service Form 1040 reduced by one-half (1/2) of  
4                 the income from all other sources other than reflected  
5                 on Schedule F.

6           8.     In taxable years beginning after December 31, 1995, all  
7     qualified wages equal to the federal income tax credit set forth in  
8     26 U.S.C.A., Section 45A, shall be deducted from taxable income.  
9     The deduction allowed pursuant to this paragraph shall only be  
10    permitted for the tax years in which the federal tax credit pursuant  
11    to 26 U.S.C.A., Section 45A, is allowed. For purposes of this  
12    paragraph, "qualified wages" means those wages used to calculate the  
13    federal credit pursuant to 26 U.S.C.A., Section 45A.

14          9.     In taxable years beginning after December 31, 2005, an  
15    employer that is eligible for and utilizes the Safety Pays OSHA  
16    Consultation Service provided by the Oklahoma Department of Labor  
17    shall receive an exemption from taxable income in the amount of One  
18    Thousand Dollars (\$1,000.00) for the tax year that the service is  
19    utilized.

20          10.    For taxable years beginning on or after January 1, 2010,  
21    there shall be added to Oklahoma taxable income an amount equal to  
22    the amount of deferred income not included in such taxable income  
23    pursuant to Section 108(i)(1) of the Internal Revenue Code of 1986  
24    as amended by Section 1231 of the American Recovery and Reinvestment

1 Act of 2009 (P.L. No. 111-5). There shall be subtracted from  
2 Oklahoma taxable income an amount equal to the amount of deferred  
3 income included in such taxable income pursuant to Section 108(i)(1)  
4 of the Internal Revenue Code of 1986, as amended by Section 1231 of  
5 the American Recovery and Reinvestment Act of 2009 (P.L. No. 111-5).

6 11. For taxable years beginning on or after January 1, 2012,  
7 there shall be added to Oklahoma taxable income an amount equal to  
8 the amount of a contribution to a scholarship-granting organization  
9 claimed as a credit pursuant to Section 1 of this act if such  
10 contribution amount was also deducted from federal taxable income as  
11 a charitable donation to a charitable organization qualified under  
12 Section 501 (c)(3) of the Internal Revenue Code.

13 B. 1. The taxable income of any corporation shall be further  
14 adjusted to arrive at Oklahoma taxable income, except those  
15 corporations electing treatment as provided in subchapter S of the  
16 Internal Revenue Code, 26 U.S.C., Section 1361 et seq., and Section  
17 2365 of this title, deductions pursuant to the provisions of the  
18 Accelerated Cost Recovery System as defined and allowed in the  
19 Economic Recovery Tax Act of 1981, Public Law 97-34, 26 U.S.C.,  
20 Section 168, for depreciation of assets placed into service after  
21 December 31, 1981, shall not be allowed in calculating Oklahoma  
22 taxable income. Such corporations shall be allowed a deduction for  
23 depreciation of assets placed into service after December 31, 1981,  
24 in accordance with provisions of the Internal Revenue Code, 26

1 U.S.C., Section 1 et seq., in effect immediately prior to the  
2 enactment of the Accelerated Cost Recovery System. The Oklahoma tax  
3 basis for all such assets placed into service after December 31,  
4 1981, calculated in this section shall be retained and utilized for  
5 all Oklahoma income tax purposes through the final disposition of  
6 such assets.

7 Notwithstanding any other provisions of the Oklahoma Income Tax  
8 Act, Section 2351 et seq. of this title, or of the Internal Revenue  
9 Code to the contrary, this subsection shall control calculation of  
10 depreciation of assets placed into service after December 31, 1981,  
11 and before January 1, 1983.

12 For assets placed in service and held by a corporation in which  
13 accelerated cost recovery system was previously disallowed, an  
14 adjustment to taxable income is required in the first taxable year  
15 beginning after December 31, 1982, to reconcile the basis of such  
16 assets to the basis allowed in the Internal Revenue Code. The  
17 purpose of this adjustment is to equalize the basis and allowance  
18 for depreciation accounts between that reported to the Internal  
19 Revenue Service and that reported to Oklahoma.

20 2. For tax years beginning on or after January 1, 2009, and  
21 ending on or before December 31, 2009, there shall be added to  
22 Oklahoma taxable income any amount in excess of One Hundred Seventy-  
23 five Thousand Dollars (\$175,000.00) which has been deducted as a  
24

1 small business expense under Internal Revenue Code, Section 179 as  
2 provided in the American Recovery and Reinvestment Act of 2009.

3 C. 1. For taxable years beginning after December 31, 1987, the  
4 taxable income of any corporation shall be further adjusted to  
5 arrive at Oklahoma taxable income for transfers of technology to  
6 qualified small businesses located in Oklahoma. Such transferor  
7 corporation shall be allowed an exemption from taxable income of an  
8 amount equal to the amount of royalty payment received as a result  
9 of such transfer; provided, however, such amount shall not exceed  
10 ten percent (10%) of the amount of gross proceeds received by such  
11 transferor corporation as a result of the technology transfer. Such  
12 exemption shall be allowed for a period not to exceed ten (10) years  
13 from the date of receipt of the first royalty payment accruing from  
14 such transfer. No exemption may be claimed for transfers of  
15 technology to qualified small businesses made prior to January 1,  
16 1988.

17 2. For purposes of this subsection:

18 a. "Qualified small business" means an entity, whether  
19 organized as a corporation, partnership, or  
20 proprietorship, organized for profit with its  
21 principal place of business located within this state  
22 and which meets the following criteria:

23 (1) Capitalization of not more than Two Hundred Fifty  
24 Thousand Dollars (\$250,000.00),

1                   (2) Having at least fifty percent (50%) of its  
2                   employees and assets located in Oklahoma at the  
3                   time of the transfer, and

5                   corporation;

6           b. "Technology" means a proprietary process, formula,

8           technical information which is not in the public  
9           domain;

10          c. "Transferor corporation" means a corporation which is  
11          the exclusive and undisputed owner of the technology  
12          at the time the transfer is made; and

13          d. "Gross proceeds" means the total amount of  
14          consideration for the transfer of technology, whether  
15          the consideration is in money or otherwise.

16          D. 1. For taxable years beginning after December 31, 2005, the  
17          taxable income of any corporation, estate or trust, shall be further  
18          adjusted for qualifying gains receiving capital treatment. Such  
19          corporations, estates or trusts shall be allowed a deduction from  
20          Oklahoma taxable income for the amount of qualifying gains receiving  
21          capital treatment earned by the corporation, estate or trust during  
22          the taxable year and included in the federal taxable income of such  
23          corporation, estate or trust.

24          2. As used in this subsection:

1           a.    "qualifying gains receiving capital treatment" means  
2                the amount of net capital gains, as defined in Section  
3                1222(11) of the Internal Revenue Code, included in the  
4                federal income tax return of the corporation, estate  
5                or trust that result from:

6                (1)   the sale of real property or tangible personal  
7                      property located within Oklahoma that has been  
8                      directly or indirectly owned by the corporation,  
9                      estate or trust for a holding period of at least  
10                     five (5) years prior to the date of the  
11                     transaction from which such net capital gains  
12                     arise,

13               (2)   the sale of stock or on the sale of an ownership  
14                      interest in an Oklahoma company, limited  
15                      liability company, or partnership where such  
16                      stock or ownership interest has been directly or  
17                      indirectly owned by the corporation, estate or  
18                      trust for a holding period of at least three (3)  
19                      years prior to the date of the transaction from  
20                      which the net capital gains arise, or

21               (3)   the sale of real property, tangible personal  
22                      property or intangible personal property located  
23                      within Oklahoma as part of the sale of all or  
24                      substantially all of the assets of an Oklahoma

1                   company, limited liability company, or  
2                   partnership where such property has been directly  
3                   or indirectly owned by such entity owned by the  
4                   owners of such entity, and used in or derived  
5                   from such entity for a period of at least three  
6                   (3) years prior to the date of the transaction  
7                   from which the net capital gains arise,

8           b.    "holding period" means an uninterrupted period of  
9                   time. The holding period shall include any additional  
10                  period when the property was held by another  
11                  individual or entity, if such additional period is  
12                  included in the taxpayer's holding period for the  
13                  asset pursuant to the Internal Revenue Code,

14           c.    "Oklahoma company", "limited liability company", or  
15                  "partnership" means an entity whose primary  
16                  headquarters have been located in Oklahoma for at  
17                  least three (3) uninterrupted years prior to the date  
18                  of the transaction from which the net capital gains  
19                  arise,

20           d.    "direct" means the taxpayer directly owns the asset,  
21                  and

22           e.    "indirect" means the taxpayer owns an interest in a  
23                  pass-through entity (or chain of pass-through  
24

1 entities) that sells the asset that gives rise to the  
2 qualifying gains receiving capital treatment.

3 (1) With respect to sales of real property or  
4 tangible personal property located within  
5 Oklahoma, the deduction described in this  
6 subsection shall not apply unless the pass-  
7 through entity that makes the sale has held the  
8 property for not less than five (5) uninterrupted  
9 years prior to the date of the transaction that  
10 created the capital gain, and each pass-through  
11 entity included in the chain of ownership has  
12 been a member, partner, or shareholder of the  
13 pass-through entity in the tier immediately below  
14 it for an uninterrupted period of not less than  
15 five (5) years.

16 (2) With respect to sales of stock or ownership  
17 interest in or sales of all or substantially all  
18 of the assets of an Oklahoma company, limited  
19 liability company, or partnership, the deduction  
20 described in this subsection shall not apply  
21 unless the pass-through entity that makes the  
22 sale has held the stock or ownership interest or  
23 the assets for not less than three (3)  
24 uninterrupted years prior to the date of the

1 transaction that created the capital gain, and  
2 each pass-through entity included in the chain of  
3 ownership has been a member, partner or  
4 shareholder of the pass-through entity in the  
5 tier immediately below it for an uninterrupted  
6 period of not less than three (3) years.

7 E. The Oklahoma adjusted gross income of any individual  
8 taxpayer shall be further adjusted as follows to arrive at Oklahoma  
9 taxable income:

11 deducted, as the case may be, the difference necessary  
12 to allow personal exemptions of One Thousand Dollars

14 by the Internal Revenue Code.

17 spouse who is blind at the close of the tax year. For  
18 purposes of this subparagraph, an individual is blind  
19 only if the central visual acuity of the individual  
20 does not exceed 20/200 in the better eye with  
21 correcting lenses, or if the visual acuity of the  
22 individual is greater than 20/200, but is accompanied  
23 by a limitation in the fields of vision such that the  
24

1           widest diameter of the visual field subtends an angle  
2           no greater than twenty (20) degrees.

3           c.   There shall be allowed an additional exemption of One  
4           Thousand Dollars (\$1,000.00) for each taxpayer or  
5           spouse who is sixty-five (65) years of age or older at  
6           the close of the tax year based upon the filing status  
7           and federal adjusted gross income of the taxpayer.  
8           Taxpayers with the following filing status may claim  
9           this exemption if the federal adjusted gross income  
10          does not exceed:

11          (1)   Twenty-five Thousand Dollars (\$25,000.00) if  
12                married and filing jointly;

13          (2)   Twelve Thousand Five Hundred Dollars (\$12,500.00)

9 Revenue Code, in an amount equal to the larger of  
10 fifteen percent (15%) of the Oklahoma adjusted gross  
11 income or One Thousand Dollars (\$1,000.00), but not to  
12 exceed Two Thousand Dollars (\$2,000.00), except that  
13 in the case of a married individual filing a separate  
14 return such deduction shall be the larger of fifteen  
15 percent (15%) of such Oklahoma adjusted gross income  
16 or Five Hundred Dollars (\$500.00), but not to exceed  
17 the maximum amount of One Thousand Dollars  
18 (\$1,000.00),

19 b. For taxable years beginning on or after January 1,  
20 2006, and before January 1, 2007, in the case of  
21 individuals who use the standard deduction in  
22 determining taxable income, there shall be added or  
23 deducted, as the case may be, the difference necessary  
24 to allow a standard deduction in lieu of the standard

1 deduction allowed by the Internal Revenue Code, in an  
2 amount equal to:

3 (1) Three Thousand Dollars (\$3,000.00), if the filing  
4 status is married filing joint, head of household

5           the Internal Revenue Code, in an amount equal to:

6           (1)   Six Thousand Five Hundred Dollars (\$6,500.00), if  
7                   the filing status is married filing joint or

18           may be, the difference necessary to allow a standard  
19           deduction in lieu of the standard deduction allowed by  
20           the Internal Revenue Code, in an amount equal to:

22           exemptions shall be reduced to an amount which is the same portion  
23           of the total thereof as Oklahoma adjusted gross income is of  
24           adjusted gross income. To the extent itemized deductions include

allowable moving expense, proration of moving expense shall not be required or permitted but allowable moving expense shall be fully deductible for those taxpayers moving within or into Oklahoma and no part of moving expense shall be deductible for those taxpayers moving without or out of Oklahoma. All other itemized or standard deductions and personal exemptions shall be subject to proration as provided by law.

15 States for treatment of wounds, injuries or  
16 disease,

17 the time for filing a return and paying an income tax shall  
18 be and is hereby extended without incurring liability for  
19 interest or penalties, to the fifteenth day of the third  
20 month following the month in which:

21 (a) Such individual shall return to the United  
22 States if the extension is granted pursuant  
23 to subparagraph a of this paragraph, return  
24 to the State of Oklahoma if the extension is

10 any member of the Armed Forces of the United States an extension of  
11 time for filing of income tax returns and payment of income tax  
12 without incurring liabilities for interest or penalties. Such  
13 extension may be granted only when in the judgment of the Tax  
14 Commission a good cause exists therefor and may be for a period in  
15 excess of six (6) months. A record of every such extension granted,  
16 and the reason therefor, shall be kept.

17 6. Before July 1, 2010, the salary or any other form of  
18 compensation, received from the United States by a member of any

23 all such salary or compensation shall be subject to the deduction as  
24 provided pursuant to paragraph 5 of this subsection.

1        7. Notwithstanding anything in the Internal Revenue Code or in

8 c. For the purpose of this paragraph, "federal income  
9 taxes paid" shall mean federal income taxes, surtaxes  
10 imposed on incomes or excess profits taxes, as though

13 tax year 2001, the amount of the deduction shall not  
14 be adjusted by the amount of any accelerated ten  
15 percent (10%) tax rate bracket credit or advanced  
16 refund of the credit received during the tax year  
17 provided pursuant to the federal Economic Growth and  
18 Tax Relief Reconciliation Act of 2001, P.L. No. 107-
