

BILL SUMMARY
1st Session of the 53rd Legislature

Bill No.:	HB 1910
Version:	FA1
Request Number:	
Author:	Jackson
Date:	2/22/2011
Impact:	Fine revenue to OWRB and Attorney General

Research Analysis

Floor Amendment 1 to HB 1910 deletes the provision in the committee substitute that authorizes the Oklahoma Water Resources Board to impound rigs and equipment under certain conditions.

Fiscal Analysis

FA1 for HB 1910 removes the provisions of impounding and selling certain rigs and equipment from the measure. The ability to levy certain administrative fines remains in the measure, however, so there are still potential revenues going to the Water Board and Attorney General.
