

BILL SUMMARY
2nd Session of the 53rd Legislature

Bill No.:	HB 2645
Version:	CS
Request Number:	9952
Author:	Rep. Brumbaugh
Date:	3/8/2012
Impact:	\$0

Research Analysis

Committee substitute for HB 2645 imposes a continuing education requirement for members of county excise boards. The measure stipulates that a member must complete six hours of relevant instruction within 18 months of appointment for the first 4 years of service and 3 hours of instruction for every 4 years of service after the expiration of the initial 4 year period. The relevant course must be offered or approved by the Oklahoma State University Cooperative Extension Service.

Prepared By: Aron Storck

Fiscal Analysis

The continuing education requirements are required of the members of a county excise board. The provisions do not include whether the board member or the county will pay any costs associated with the continuing education. Officials with an organization representing counties indicate the costs are expected to be minimal.
