**Research Analysis**

The Committee Amendment for SB 258 adds a new section of law stipulating that the Oklahoma Tourism and Recreation Commission may not close or reduce hours of operation at a state park or at other specific properties without prior approval of the Legislature. The Commission must provide a written notice, including the proposed plan, to the Speaker of the House and President Pro Tempore of the Senate. The Committee Amendment also outlines timing provisions related to the written notice and approval process.
