

Oklahoma State Senate

Bill Summary and Fiscal Impact

Agency: SDE, School Districts

Bill Number: HB 3130

Senate Author: Stanislawski

House Author: Nelson

FY '13 Impact: None expected

Full Year Impact: None expected

Bill Summary and Comments: This bill requires school districts to report revenue and expenditures using program codes, revenue codes, expenditure function codes, subcodes and object codes, project codes and level of instruction codes of the Oklahoma Cost Accounting System. It also requires the State Department of Education to make all OCAS code designations and descriptions and all procedures for code usage available to the public and on its website. Finally any change to or any addition or deletion of a code, subcode, or object code designation or description must be updated within 30 days.
