Re: Conference Committee Substitute for Engrossed House Bill No. 2320

RBH No. 10551

Conference Committee Substitute for Engrossed House Bill No. 2320 allows the Oklahoma Teachers Retirement System to invest in real property owned or to be acquired by the State of Oklahoma. The bill limits the investment in real property to 10% of the assets of the system.

The removes the requirement that the Trustees set a cost of living assumption to be used in the actuarial valuation.

Conference Committee Substitute for Engrossed House Bill No. 2320 is a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
