PROPOSED COMMITTEE SUBSTITUTE

An Act relating to schools; amending 70 O.S. 2011, Section 6-194, which relates to school district professional development programs; adding certain goals for professional development programs; providing an effective date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2011, Section 6-194, is amended to read as follows:

Section 6-194. A. The district boards of education of this state shall establish professional development programs for the certified and licensed teachers and administrators of the district. Programs shall be adopted by each board based upon recommendations of a professional development committee appointed by the board of education for the district. For the fiscal years ending June 30, 2011, and June 30, 2012, a school district board of education may

1 elect not to adopt and offer a professional development program for  
2 certified and licensed teachers and administrators of the district.  
3 If a school district elects not to adopt and offer a professional  
4 development program, the district may expend any monies allocated  
5 for professional development for any purpose related to the support  
6 and maintenance of the school district as determined by the board of  
7 education of the school district.

8       B. Each professional development committee shall include  
9 classroom teachers, administrators and parents, guardians or  
10 custodians of children in the school district and shall consult with  
11 a higher education faculty. A majority of the members of the  
12 professional development committee shall be composed of classroom  
13 teachers. The teacher members shall be selected by a designated  
14 administrator of the school district from a list of names submitted  
15 by the teachers in the school district. The members selected shall  
16 be subject to the approval of a majority vote of the teachers in the  
17 district. At a minimum, once every four (4) years the committee  
18 shall include at least one school counselor in its membership.

19       C. In developing program recommendations, each professional  
20 development committee shall annually utilize a data-driven approach  
21 to analyze student data and determine district and school  
22 professional development needs. The professional development  
23 programs adopted shall be directed toward development of  
24

competencies and instructional strategies in the core curriculum areas for the following goals:

1. Increasing the academic performance index scores for the district and each school site;
2. Closing achievement gaps among student subgroups;
3. Increasing student achievement as demonstrated on state-mandated tests and the ACT;
4. Increasing high school graduation rates; ~~and~~
5. Decreasing college remediation rates;
6. Implementing Oklahoma curriculum standards; and
7. Implementing the Oklahoma Teacher and Leader Effectiveness Evaluation System (TLE).

Each program may also include components on classroom management and student discipline strategies, outreach to parents, guardians or custodians of students, special education, and racial and ethnic education, which all personnel defined as teachers in Section 1-116 of this title shall be required to complete on a periodic basis. The State Board of Education shall provide guidelines to assist school districts in developing and implementing racial and ethnic education components into professional development programs. At least once a year a program shall be offered which includes a component of teacher training on recognition and reporting of child abuse and neglect which all teachers shall be required to complete. Additionally at least one time per year, beginning in the 2009-2010

1 school year, training in the area of autism shall be offered and all  
2 resident teachers of students in early childhood programs through  
3 grade three shall be required to complete the autism training during  
4 the resident year and at least one time every three (3) years  
5 thereafter. All other teachers and education support professionals  
6 of students in early childhood programs through grade three shall be  
7 required to complete the autism training at least one time every  
8 three (3) years. The autism training shall include a minimum  
9 awareness of the characteristics of autistic children, resources  
10 available and an introduction to positive behavior supports to  
11 challenging behavior. Each adopted program shall allow school  
12 counselors to receive at least one-third (1/3) of the hours or  
13 credit required each year through programs or courses specifically  
14 designed for school counselors.

15 Districts are authorized to utilize any means for professional  
16 development that is not prohibited by law including, but not limited  
17 to, professional development provided by the district, any state  
18 agency, institution of higher education, or any private entity.

19 D. Except as otherwise provided for in this subsection, each  
20 licensed or certified teacher in this state shall be required by the  
21 district board of education to meet the professional development  
22 requirements established by the board, or established through the  
23 negotiation process. Except as otherwise provided for in this  
24 subsection, the professional development requirements established by

1 each board of education shall require every teacher to annually  
2 complete a minimum number of the total number of points required to  
3 maintain employment. Failure of any teacher to meet district board  
4 of education professional development requirements may be grounds  
5 for nonrenewal of such teacher's contract by the board. Such  
6 failure may also be grounds for nonconsideration of salary  
7 increments affecting the teacher. For the fiscal years ending June  
8 30, 2011, and June 30, 2012, a licensed or certified teacher shall  
9 not be required to complete any points of the total number of  
10 professional development points required. Provided, a teacher may  
11 elect to complete some or all of the minimum number of points  
12 required for the two (2) fiscal years and any points completed shall  
13 be counted toward the total number of points required to maintain  
14 employment. If a teacher does not complete some or all of the  
15 minimum number of points required for one (1) or both fiscal years,  
16 the total number of points required to maintain employment shall be  
17 adjusted and reduced by the number of points not completed.

18 E. Each district shall annually submit a report to the State  
19 Department of Education on the district level professional  
20 development needs, activities completed, expenditures, and results  
21 achieved for each school year by each goal as provided in subsection  
22 C of this section. If a school district elects not to adopt and  
23 offer a professional development program as provided for in  
24 subsection A of this section, the district shall not be required to

1 submit an annual report as required pursuant to this subsection but  
2 shall report to the State Department of Education its election not  
3 to offer a program and all professional development activities  
4 completed by teachers and administrators of the school district.

5 F. Subject to the availability of funds, the Department shall  
6 develop an online system for reporting as required in subsection E  
7 of this section. The Department shall also make such information  
8 available on its website.

9 SECTION 2. This act shall become effective July 1, 2013.

10 SECTION 3. It being immediately necessary for the preservation  
11 of the public peace, health and safety, an emergency is hereby  
12 declared to exist, by reason whereof this act shall take effect and  
13 be in full force from and after its passage and approval.
