1 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

2 SECTION 1. NEW LAW A new section of law to be codified
3 in the Oklahoma Statutes as Section 1001.5 of Title 68, unless there
4 is created a duplication in numbering, reads as follows:

5 A. Any county of this state is hereby authorized to levy a tax
6 upon the severance of rock, gravel, granite, sand, gypsum, limestone
7 or any other natural materials mined for purposes of producing
8 aggregate within the territorial limits of the county by any
9 lawfully recognized for-profit business entity in an amount
10 specified in the special election called as provided herein.

11 B. No severance tax shall be applicable to aggregates extracted
12 by an individual person or persons from real property owned by such
13 person or persons and not sold for profit.

14 C. No severance tax shall be applicable to limestone extracted
15 for agricultural purposes.

16 D. Before a severance tax may be levied by the county, the
17 imposition of the tax shall first be approved by a majority of the
18 registered voters of the county voting thereon at a special election
19 called by the board of county commissioners or by an initiative
20 petition signed by not less than five percent (5%) of the registered
21 voters of the county who were registered at the time of the last
22 general election. The question submitted shall be limited to the
23 purposes described by subsection G of this section. However, if a
24 majority of the registered voters of a county voting fail to approve

1 such a tax, the board of county commissioners shall not call another
2 special election for such purpose for six (6) months.

3 E. Any tax levied or any change in the rate of a tax levied
4 pursuant to the provisions of this section shall become effective on
5 the first day of the calendar quarter following approval by the
6 voters of the county unless another effective date, which shall also
7 be on the first day of a calendar quarter, is specified in the
8 ordinance or resolution levying the tax or changing the rate of the
9 tax. The county may approve up to five percent (5%) severance tax
10 on the gross value of the production of rock, gravel, granite, sand,
11 gypsum and limestone.

12 F. Any severance tax which may be levied by a county shall be
13 designated for a specific or general purpose by a majority vote of
14 the board of county commissioners or as stated by initiative
15 petition. The county shall identify the purpose of the severance
16 tax when it is presented to the voters pursuant to the provisions of
17 subsection A of this section.

18 G. Except as provided by Section 2 of this act, the proceeds of
19 any severance tax levied by a county shall be deposited in the
20 county general fund and shall be used for any infrastructure
21 purposes but shall not be used for salaries or other forms of
22 employee compensation and may only be used for construction or
23 improvement of infrastructure.

1 H. The life of a tax levied pursuant to the provisions of this
2 section may be limited or unlimited in duration. The county shall
3 identify the duration of the tax when it is presented to the voters
4 pursuant to the provisions of subsection A of this section.

5 I. The Oklahoma Tax Commission shall give notice to all
6 relevant taxpayers of a rate change at least sixty (60) days prior
7 to the effective date of the rate change. Failure to give notice as
8 required by this section shall delay the effective date of the rate
9 change to the first day of the next calendar quarter. The board of
10 county commissioners of a county levying a tax pursuant to the
11 provisions of this section and the Tax Commission are authorized to
12 enter into a contract whereby the Tax Commission shall have
13 authority to assess, collect and enforce the tax and any penalties
14 or interest thereon levied by the county and to remit the same to
15 the county. Such authority shall apply to any tax levied pursuant
16 to this section and penalty or interest liability existing at the
17 time of contracting. Upon contracting, the Tax Commission shall
18 have the power of enforcement of the tax, penalties or interest that
19 are vested in the county. The contract shall provide for the
20 assessment, collection and enforcement of the tax, penalties or
21 interest in the same manner as the administration, collection or
22 enforcement of the state gross production tax by the Tax Commission.
23 For providing such assistance, the Tax Commission shall charge the
24

1 county a fee of one-half of one percent (1/2 of 1%) of the gross
2 collection proceeds.

3 J. Initiative petitions calling for a special election
4 concerning county severance tax proposals shall be in accordance
5 with Sections 2, 3, 3.1, 6, 18 and 24 of Title 34 of the Oklahoma
6 Statutes. Petitions shall be submitted to the office of the county
7 clerk for approval as to form prior to circulation. Following
8 approval, the petitioner shall have ninety (90) days to secure the
9 required signatures. After securing the requisite number of
10 signatures, the petitioner shall submit the petition and signatures
11 to the county clerk. Following the verification of signatures, the
12 county clerk shall present the petition to the board of county
13 commissioners. The special election shall be held within sixty (60)
14 days of the board of county commissioners receiving the petition
15 from the county clerk.

16 SECTION 2. NEW LAW A new section of law to be codified
17 in the Oklahoma Statutes as Section 1001.6 of Title 68, unless there
18 is created a duplication in numbering, reads as follows:

19 A. All materials sold where appropriate county sales tax was
20 charged, collected and remitted to the county where the materials
21 were severed shall receive a credit against the severance tax in the
22 same amount of the sales tax portion that was remitted to the county
23 of origin.

1 B. All materials sold to a tax-exempt entity where no sales tax
2 is collected shall be subject to the severance tax.

3 C. If the mining or extracting of aggregates takes place within
4 the incorporated area of a municipality, fifty percent (50%) of the
5 revenue derived from the mining or extracting of aggregates which
6 occurs within such incorporated municipal area from a severance tax
7 levy imposed by a county pursuant to Section 1 of this act shall be
8 apportioned to the general revenue fund of the municipality and
9 fifty percent (50%) of the revenue shall be apportioned to the
10 county as provided by subsection F of Section 1 of this act.

11 D. No county that receives revenue from a severance tax levy on
12 aggregates as authorized by this act shall impose any fee, charge,
13 assessment or other cost for the privilege of engaging in the mining
14 or extraction of aggregates.

15 SECTION 3. This act shall become effective November 1, 2014.
