- (2) to order or accept delivery of any motor vehicle with special features, appliances, accessories or equipment not included in the list price of the motor vehicles as publicly advertised by the manufacturer thereof, or
- (3) to order or accept delivery of any parts, accessories, equipment, machinery, tools, appliances or any commodity whatsoever, or
- b. induced under threat or discrimination by the withholding from delivery to a motor vehicle dealer certain models of motor vehicles, changing or amending unilaterally the dealer's allotment of motor vehicles and/or withholding and delaying delivery of such vehicles out of the ordinary course of business, in order to induce by such coercion any such dealer to participate or contribute to any local or national advertising fund controlled directly or indirectly by the factory or for any other purposes such as contest, "give-aways" or other so-called sales promotional devices and/or change of quotas in any sales contest; or has required motor vehicle dealers, as a condition to receiving their vehicle allotment, to order a certain percentage of the vehicles with optional equipment not specified by the new motor vehicle

dealer; however, nothing in this section shall prohibit a factory from supporting an advertising association which is open to all dealers on the same basis;

9. Being a factory that:

1.3

2.1

- a. has attempted to coerce or has coerced any new motor vehicle dealer to enter into any agreement or to cancel any agreement, or fails to act in good faith and in a fair, equitable and nondiscriminatory manner; or has directly or indirectly coerced, intimidated, threatened or restrained any motor vehicle dealer; or has acted dishonestly, or has failed to act in accordance with the reasonable standards of fair dealing,
- b. has failed to compensate its dealers for the work and services they are required to perform in connection with the dealer's delivery and preparation obligations according to the agreements on file with the Commission which must be found by the Commission to be reasonable, or fail to adequately and fairly compensate its dealers for labor, parts and other expenses incurred by such dealer to perform under and comply with manufacturer's warranty agreements. In determining whether the warranty compensation is

24

adequate Adequate and fair, the Commission shall consider the amount that is charged by the dealer or dealers in their areas of responsibility to their nonwarranty work of like kind compensation for parts shall be established by the dealer submitting to the manufacturer or distributor one hundred sequential nonwarranty customer-paid service repair orders which contain warranty-like parts, or sixty (60) consecutive days of nonwarranty customer-paid service repair orders which contain warranty-like parts, whichever is less, covering repairs made no more than one hundred eighty (180) days before the submission and declaring the average percentage markup. Adequate and fair compensation for labor shall be established by the dealer submitting to the manufacturer or distributor one hundred sequential customer-paid service repair orders which contain labor charges, or thirty (30) consecutive days of customer-paid service repair orders which contain labor charges, whichever is less. The average of the parts markup and/or labor rates shall be presumed to be fair and reasonable; however, a manufacturer or distributor may, not later than thirty (30) days after submission, rebut that presumption in writing by reasonably substantiating

23

24

that the rate is unfair and unreasonable in light of the practices of all other franchised motor vehicle dealers in the vicinity offering the same line-make vehicles. The retail rate shall go into effect thirty (30) days following the declaration, subject to audit of the submitted repair orders by the franchisor and a rebuttal of the declared rate as described above. If the declared rate is rebutted, the manufacturer or distributor shall propose an adjustment in writing of the average percentage markup based on that rebuttal not later than thirty (30) days after submission. If the dealer does not agree with the proposed average percentage markup, the dealer may file a protest with the Commission not later than thirty (30) days after receipt of that proposal by the manufacturer or distributor. In the event a protest is filed, the manufacturer or distributor shall have the burden of proof to establish the new motor vehicle dealer's submitted rate was unreasonable in light of the dealer's retail rates. A manufacturer or distributor may not recover its costs for reimbursement of warranty claims under this provision from any dealer. A manufacturer or distributor may not take any adverse action or

24

retaliate against any new motor vehicle dealer seeking to exercise its rights under this provision. All claims made by dealers for compensation for delivery, preparation and warranty work shall be paid within thirty (30) days after approval and shall be approved or disapproved within thirty (30) days after receipt. When any claim is disapproved, the dealer shall be notified in writing of the grounds for disapproval. The dealer's delivery, preparation and warranty obligations as filed with the Commission shall constitute the dealer's sole responsibility for product liability as between the dealer and manufacturer. A factory may reasonably and periodically audit a new motor vehicle dealer to determine the validity of paid claims for dealer compensation or any charge-backs for warranty parts or service compensation. Audits of warranty payments shall only be for the one-year period immediately following the date of the payment. A manufacturer shall reserve the right to reasonable, periodic audits to determine the validity of paid claims for dealer compensation or any charge-backs for consumer or dealer incentives. Audits of incentive payments shall only be for a one-year period

24

1

3

immediately following the date of the payment. A factory shall not deny a claim or charge a new motor vehicle dealer back subsequent to the payment of the claim unless the factory can show that the claim was false or fraudulent or that the new motor vehicle dealer failed to reasonably substantiate the claim by the written reasonable procedures of the factory. The factory shall provide written notice to a dealer with the specific audit results and proposed charge-back amount. A dealer that receives notice of a proposed charge-back pursuant to a factory's audit has the right to file a protest with the Commission within thirty (30) days after receipt of the notice of the charge-back or audit results, whichever is later. The factory is prohibited from implementing the charge-back or debiting the dealer's account until either the time frame for filing a protest has passed or a final adjudication is rendered by the Commission, whichever is later, or

c. unreasonably fails or refuses to offer to its same line-make franchised dealers all models manufactured for that line-make, or unreasonably requires a dealer to pay any extra fee, purchase unreasonable

advertising displays or other materials, or remodel, renovate, or recondition the dealer's existing facilities as a prerequisite to receiving a model or series of vehicles. The failure to deliver any such new motor vehicle shall not be considered a violation of the section if the failure is not arbitrary or is due to lack of manufacturing capacity or to a strike or labor difficulty, a shortage of materials, a freight embargo or other cause over which the manufacturer has no control. However, this subparagraph shall not apply to recreational vehicles or limited production model vehicles.

1.3

2.1

d. requires or attempts to require a new motor vehicle dealer to construct a new facility or substantially renovate the new motor vehicle dealer's existing facility unless the facility construction or renovation is justified by the economic conditions existing at the time, as well as the reasonably foreseeable projections, in the automotive industry and the new motor vehicle dealer's relevant market and the factory agrees in writing to supply the dealer with a reasonable quantity and mix of additional new motor vehicles, which as determined by a reasonable analysis of

2.1

market conditions, are projected to meet the sales

levels necessary to support the increased overhead

incurred by the new motor vehicle dealer as a

result of the construction or renovation. The

factory has the burden to establish that the facility

request is justified based on the reasons set forth

herein,

- e. requires or attempts to require a new motor

 vehicle dealer to establish or maintain an

 exclusive facility; provided, that this provision

 shall not restrict the terms of any agreement for

 such exclusive facility voluntarily entered into

 and supported by valuable consideration separate

 from the new motor vehicle dealer's right to sell

 and service motor vehicles for the franchisor,
- requires or attempts to require a new motor

 vehicle dealer to enter into or maintain a site
 control agreement covering any or all of the new

 motor vehicle dealer's facilities or premises;

 provided, that this provision shall not restrict

 the terms of any site-control agreement

 voluntarily entered into and supported by valuable

 consideration separate from the new motor vehicle

 dealer's right to sell and service motor vehicles

for the franchisor. Notwithstanding the foregoing or the terms of any site-control agreement, a site-control agreement automatically extinguishes if a franchise that operated from the location that was the subject of the site-control agreement is terminated by the factory as part of the discontinuance of a product line or otherwise terminated without good cause,

- dealer the benefit of any facility-based incentive

 payment or allowance if the new motor vehicle dealer

 has substantially complied with the factory's facility

 image program or requirements, or
- dealer the benefit of any facility-based incentive

 payment or allowance that is calculated on a per
 vehicle basis, if the new motor vehicle dealer

 cannot comply with the factory's facility and/or

 image requirements due to state or local law or

 ordinance, or if the factory's facility and/or

 image requirements are not economically justified.

 A factory that refuses to provide the dealer with

 the benefit described herein possesses the burden

 to establish that the factory's facility and/or

 image requirements were feasible pursuant to state

or local law or ordinance and/or economically

justified. This provision is not intended to prevent

a factory from providing an incentive payment or

allowance to a dealer on a lump-sum basis that is

designed to reimburse the dealer either in whole

or in part for the dealer's expenditures related

to a factory-approved facility upgrade, renovation

or alteration;

- 10. Being a factory that establishes a system of motor vehicle allocation or distribution which is unfair, inequitable or unreasonably discriminatory. Upon the request of any dealer franchised by it, a factory shall disclose in writing to the dealer the basis upon which new motor vehicles are allocated, scheduled and delivered among the dealers of the same line-make for that factory;
- 11. Being a factory that sells directly or indirectly new motor vehicles or services to any retail consumer in the state except through a new motor vehicle dealer holding a franchise for the linemake that includes the new motor vehicle. This paragraph does not apply to factory sales of new motor vehicles to its employees, family members of employees, retirees and family members of retirees, not-for-profit organizations or the federal, state or local governments. The provisions of this paragraph shall not preclude a factory from providing information to a consumer for the purpose of marketing or facilitating a sale of a new motor vehicle

or from establishing a program to sell or offer to sell new motor vehicles through participating dealers;

1.3

2.1

- 12. a. Being a factory which directly or indirectly:
 - (1) owns any ownership interest or has any financial interest in a new motor vehicle dealer or any person who sells products or services to the public,
 - (2) operates or controls a new motor vehicle dealer, or
 - (3) acts in the capacity of a new motor vehicle dealer.
 - b. (1) This paragraph does not prohibit a factory from owning or controlling a new motor vehicle dealer while in a bona fide relationship with a dealer development candidate who has made a substantial initial investment in the franchise and whose initial investment is subject to potential loss. The dealer development candidate can reasonably expect to acquire full ownership of a new motor vehicle dealer within a reasonable period of time not to exceed ten (10) years and on reasonable terms and conditions. The ten-year acquisition period may be expanded for good cause shown.

1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 |

(2) This paragraph does not prohibit a factory from owning, operating, controlling or acting in the capacity of a motor vehicle dealer for a period not to exceed twelve (12) months during the transition from one dealer to another dealer if the dealership is for sale at a reasonable price and on reasonable terms and conditions to an independent qualified buyer. On showing by a factory of good cause, the Oklahoma Motor Vehicle Commission may extend the time limit set forth above; extensions may be granted for periods not to exceed twelve (12) months.

- (3) This paragraph does not prohibit a factory from owning, operating or controlling or acting in the capacity of a motor vehicle dealer which was in operation prior to January 1, 2000.
- (4) This paragraph does not prohibit a factory from owning, directly or indirectly, a minority interest in an entity that owns, operates or controls motor vehicle dealerships of the same line-make franchised by the manufacturer, provided that each of the following conditions are met:

2.1

- (a) all of the motor vehicle dealerships selling the motor vehicles of that manufacturer in this state trade exclusively in the linemake of that manufacturer,
- (b) all of the franchise agreements of the manufacturer confer rights on the dealer of the line-make to develop and operate, within a defined geographic territory or area, as many dealership facilities as the dealer and manufacturer shall agree are appropriate,
- at the time the manufacturer first acquires an ownership interest or assumes operation, the distance between any dealership thus owned or operated and the nearest unaffiliated motor vehicle dealership trading in the same line-make is not less than seventy (70) miles,
- d) during any period in which the manufacturer has such an ownership interest, the manufacturer has no more than three franchise agreements with new motor vehicle dealers licensed by the Oklahoma Motor Vehicle Commission to do business within the state, and

1 prior to January 1, 2000, the factory shall (e) 2 have furnished or made available to 3 prospective motor vehicle dealers an offering-circular in accordance with the 5 Trade Regulation Rule on Franchising of the Federal Trade Commission, and any guidelines 6 7 and exemptions issued thereunder, which disclose the possibility that the factory 8 9 may from time to time seek to own or 10 acquire, directly or indirectly, ownership 11 interests in retail dealerships;

13. Being a factory which directly or indirectly makes available for public disclosure any proprietary information provided to the factory by a new motor vehicle dealer, other than in composite form to dealers in the same line-make or in response to a subpoena or order of the Commission or a court. Proprietary information includes, but is not limited to, information based on:

be construed to require a factory to disregard the preference of a consumer in providing or directing a lead;

Being a factory which used the customer that accesses, obtains, views or otherwise uses dealership information or customer data maintained by the new motor vehicle dealer or on the dealer's management computer system without first obtaining prior express written permission from the dealer for such access, which permission may be withheld within the dealer's sole discretion. Before accessing, obtaining, viewing or otherwise using any dealership information or customer data as described herein, the factory must provide the dealer a detailed, written explanation of what dealership information and/or customer data the factory requests access to and how the factory intends to utilize the dealership information or customer data. Any permission given by the dealer as described herein shall be strictly limited to the intended use as provided by the factory's written notice. Notwithstanding the terms of any agreement, no factory shall use dealership information, including but not limited to the dealer's customer list of a new motor vehicle dealer for the purpose of unfairly competing with dealers. Notwithstanding the terms of any agreement, no factory shall use a dealer's, or former dealer's, customer list without first obtaining prior express written permission from the dealer for such use and providing fair and adequate compensation to the dealer,

or former dealer, for the use of the customer list, which agreement shall be in the dealer's sole discretion;

1.3

- 16. Being a factory which prohibits a new motor vehicle dealer from relocating after a written request by such new motor vehicle dealer if:
 - or meets the written reasonable guidelines of the factory. Reasonable guidelines do not include exclusive use or site control unless agreed to as set forth in subparagraphs e and f of paragraph 9 of this subsection, and
 - b. the proposed new location is within the area of responsibility of the new motor vehicle dealer pursuant to Section 578.1 of this title,
 - new motor vehicle dealer's relocation request to

 approve or deny the request. The failure to approve

 or deny the request within the sixty-day time frame

 shall constitute approval of the request, and
 - within thirty (30) days of the factory's denial of a new motor vehicle dealer's relocation request, the new motor vehicle dealer has the right to file a protest with the Oklahoma Motor Vehicle Commission and request a hearing. The factory shall have the burden of proof

to show that the new motor vehicle dealer's relocation

facility and proposed new location did not meet the

written reasonable guidelines of the factory;

17. Being a factory which prohibits a new motor vehicle dealer from adding additional line-makes to its existing facility, if, after adding the additional line-makes, the facility satisfies the written reasonable facility guidelines of the factory. Reasonable facility guidelines do not include a requirement to maintain site control or an exclusive facility unless agreed to by the dealer as set forth in subparagraphs e and f of paragraph 9 of this subsection; and

- 18. Being a factory that increases prices of new motor vehicles which the new motor vehicle dealer had ordered for retail consumers prior to the dealer's receipt of the written official price increase notification. A sales contract signed by a retail consumer shall constitute evidence of each such order, provided that the vehicle is in fact delivered to the customer. Price differences applicable to new models or series motor vehicles at the time of the introduction of new models or series shall not be considered a price increase for purposes of this paragraph. Price changes caused by any of the following shall not be subject to the provisions of this paragraph:
 - a. the addition to a motor vehicle of required or optional equipment pursuant to state or federal law,

b. revaluation of the United States dollar in the case of foreign-made vehicles or components, or

- c. an increase in transportation charges due to increased rates imposed by common or contract carriers;
- 19. Being a factory that provides any offer or device, including but not limited to incentives, sales promotion programs, refunds, or other types of inducements that result in a lower actual price of a new motor vehicle to any new motor vehicle dealer in the state without making the same offer or device practically available to all other same line-make dealers in the state on a proportional basis;
- 20. Being a factory that alters or modifies a new motor vehicle dealer's franchise if such alteration or modification may substantially and adversely impact the new motor vehicle dealer's rights, obligations, investment or return on investment. A factory seeking to modify a new motor vehicle dealer's franchise must notify the dealer at least ninety (90) days in advance of the modification's effective date. A new motor vehicle dealer that receives notice of such proposed modification may file a protest with the Oklahoma Motor Vehicle Commission within the ninety-day time frame. In the event a protest is filed, the factory has the burden of proof to establish the proposed modification will not substantially and adversely impact the new motor vehicle dealer's rights, obligations, investment or return on investment;

SECTION 4. AMENDATORY 47 O.S. 2011, Section 565.1, is amended to read as follows:

Section 565.1 Notwithstanding the terms of any franchise agreement, and subject to the following conditions contained in paragraphs 1 through 5 of this section, any manufacturer or distributor who prevents or refuses to honor the succession to a dealership by any legal heir or devisee under the will of a new motor vehicle dealer or under the laws of descent and distribution of this state without good cause or good faith, as defined in this section, shall be subject to the following procedure:

- 1. Within one hundred twenty (120) days after the death of the new motor vehicle dealer, the manufacturer shall receive a written notice from any legal heir or devisee who intends to establish a successor dealership. If timely notice is not so received, then this paragraph shall not apply, and any succession shall be governed solely by the terms of the franchise;
- 2. Within thirty (30) days of receipt of the legal heir's or devisee's timely written notice, the manufacturer may request, and the legal heir or devisee shall, within a reasonable time, provide any information which is reasonably necessary for the manufacturer to evaluate the proposed successor dealer and dealership, including,

but not limited to, applications, proposals for facilities and financing;

- 3. Within sixty (60) days of receipt of such information, the manufacturer shall approve or disapprove the proposed successor dealership, and in case of disapproval shall communicate in writing such disapproval and grounds for disapproval to the legal heir or devisee;
- 4. Failure of the manufacturer to act in a timely manner with respect to any time period described above shall constitute a waiver of the manufacturer's right to disapprove the proposed succession;
- 5. Within ten (10) days of its receipt of the manufacturer's notice of disapproval, the legal heir or devisee may file a protest of the manufacturer's decision with the Oklahoma Motor Vehicle Commission and request a hearing. Such hearing shall be heard in a substantially similar manner as provided by Section 566 of this title, except that the Commission shall render a final decision within sixty (60) days of the filing of the protest. The manufacturer shall have the burden of proof to show that its disapproval was for a good cause and in good faith. A denial shall not be for good cause and in good faith unless the factory establishes that the legal heir or devisee, or the legal heir or devisee's controlling executive management, is not of good moral character or fails to meet the written, reasonable and uniformly applied requirements of the manufacturer or distributor relating to

financial qualifications or general business experience. The disapproval by the manufacturer shall be final if the legal heir or devisee fails to file a timely protest of such disapproval. In the event that the Commission finds that the manufacturer's disapproval was not made for good cause, then it shall issue a final order requiring the manufacturer to honor the successor designated in the notice sent by the legal heir or devisee. Notwithstanding anything to the contrary in this section, a new motor vehicle dealer may designate any person as successor by filing a written instrument pursuant to the franchise with the manufacturer during the new motor vehicle dealer's lifetime. In such a case, the written instrument and franchise shall govern the dealership succession.

The suspension, revocation or refusal to issue or renew a license or the imposition of any other penalty by the Commission shall be in addition to any penalty which might be imposed upon any licensee upon judgment or conviction in a court of competent jurisdiction for any violation of the provisions of Sections 561 through 567, 572, 578.1, 579 and 579.1 of this title.

SECTION 5. AMENDATORY 47 O.S. 2011, Section 565.2, is amended to read as follows:

Section 565.2 A. Irrespective of the terms, provisions or conditions of any franchise, or the terms or provisions of any waiver, no manufacturer shall terminate, cancel or fail to renew any franchise with a licensed new motor vehicle dealer unless the

manufacturer has satisfied the notice requirements as provided in this section and has good cause for cancellation, termination or nonrenewal. The manufacturer shall not attempt to cancel or fail to renew the franchise agreement of a new motor vehicle dealer in this state unfairly and without just provocation or without due regard to the equities of the dealer or without good faith as defined herein. As used herein, "good faith" means the duty of each party to any franchise agreement to act in a fair and equitable manner toward each other, with freedom from coercion or intimidation or threats thereof from each other.

- B. Irrespective of the terms, provisions or conditions of any franchise, or the terms or provisions of any waiver, good cause shall exist for the purpose of a termination, cancellation, or nonrenewal when:
- 1. The new motor vehicle dealer has failed to comply with a provision of the franchise, which provision is both reasonable and of material significance to the franchise relationship, or the new motor vehicle dealer has failed to comply with reasonable performance criteria for sales or service established by the manufacturer, and the dealer has been notified by written notice from the manufacturer; and
- 2. The new motor vehicle dealer has received written notification of failure to comply with the manufacturer's reasonable sales performance standards, capitalization requirements, facility

commitments, business related equipment acquisitions or other such remediable failings exclusive of those reasons enumerated in paragraph 1 of subsection C of this section, and the new motor vehicle dealer has been afforded a reasonable opportunity of not less than six (6) months to comply with such a provision or criteria.

1.3

2.1

Good cause shall not exist when a termination or cancellation is the result of the discontinuance of a product line.

- C. Irrespective of the terms, provisions or conditions of any franchise agreement prior to the termination, cancellation or nonrenewal of any franchise, the manufacturer shall furnish notification of such termination, cancellation or nonrenewal to the new motor vehicle dealer and the Oklahoma Motor Vehicle Commission as follows:
- 1. Not less than ninety (90) days prior to the effective date of such termination, cancellation or nonrenewal unless for a cause described in paragraph 2 of this subsection;
- 2. Not less than fifteen (15) days prior to the effective date of such termination, cancellation or nonrenewal with respect to any of the following:
 - a. insolvency of the new motor vehicle dealer, or the filing of any petition by or against the motor vehicle dealer under any bankruptcy or receivership law,

b. failure of the new motor vehicle dealer to conduct its customary sales and service operations during its customary business hours for seven (7) consecutive business days, provided that such failure to conduct business shall not be due to act of God or circumstances beyond the direct control of the new motor vehicle dealer, or

1.3

- c. conviction of the new motor vehicle dealer of any felony which is punishable by imprisonment or a violation of the Federal Odometer Act; and
- 3. Not less than one hundred eighty (180) days prior to the effective date of such termination or cancellation where the manufacturer or distributor is discontinuing the sale of the product line.

The notification required by this subsection shall be by certified mail, return receipt requested, and shall contain a statement of intent to terminate, to cancel or to not renew the franchise, a statement of the reasons for the termination, cancellation or nonrenewal and the date the termination shall take effect.

D. Upon the affected new motor vehicle dealer's receipt of the aforementioned notice of termination, cancellation or nonrenewal, the new motor vehicle dealer shall have the right to file a protest of such threatened termination, cancellation or nonrenewal with the

Commission within thirty (30) days and request a hearing. Such hearing shall be held in accordance with the provisions of the Administrative Procedures Act, Sections 301 through 326 of Title 75 of the Oklahoma Statutes, to determine if the threatened cancellation, termination or nonrenewal of the franchise has been for good cause and if the factory has complied with its obligations pursuant to subsections A, B and C of this section and the factory shall have the burden of proof. If the Commission finds that the threatened cancellation, termination or nonrenewal of the franchise has not been for good cause or violates subsection A, B or C of this section, then it shall issue a final order stating that the threatened termination is wrongful. A factory shall have the right to appeal such order. During the pendency of the hearing and after the decision, the franchise shall remain in full force and effect, including the right to transfer the franchise. If the Commission finds that the threatened cancellation, termination or nonrenewal is for good cause and does not violate subsection A, B or C of this section, the new motor vehicle dealer shall have the right to an appeal. During the pendency of the action, including the final decision or appeal, the franchise shall remain in full force and effect, including the right to transfer the franchise. If the new motor vehicle dealer prevails in the threatened termination action, the Commission shall award to the new motor vehicle dealer the attorney fees and costs incurred to defend the action.

b. not substantially in excess of facilities recommended
by the manufacturer.

For the purposes of this subsection, reasonable rental value shall
include the rental value of the facilities as well as any other
facility-related costs such as taxes, insurance and utilities.
