Any other nonparticipating manufacturer that has been determined to pose an elevated risk for noncompliance shall be required to post a bond in accordance with this section for three (3) years or longer if such nonparticipating manufacturer still poses an elevated risk at the end of such three-year period.~~

For purposes of this section an affiliate is an entity or individual that either controls or is controlled by the nonparticipating manufacturer, regardless of whether the control being exercised is direct or indirect.

C. Neither a nonparticipating manufacturer nor any of its brand families shall be included in the Directory unless and until the nonparticipating manufacturer:

8 Master Settlement Agreement Complementary Act and the Prevention of
9 Youth Access to Tobacco Act;
