CONFERENCE COMMITTEE SUBSTITUTE

An Act relating to schools; authorizing the State Department of Education to establish Regional Education Administrative Districts (READs); stating functions; listing administrative services that may be provided by READs; providing for housing; allowing the Department to provide support to certain cooperatives; allowing READs to receive certain financial support; authorizing the State Board of Education to determine a range of fees; limiting amount of fees; providing for the discounting of fees for school districts with mutual superintendent contracts; making participation voluntary; directing the Board to promulgate rules; and providing for codification.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1210.285 of Title 70, unless there is created a duplication in numbering, reads as follows:

1 A. The State Department of Education may establish Regional
2 Education Administrative Districts (READs) which may provide
3 administrative services to school districts throughout the state.
4 The Department shall provide information to school districts to
5 educate districts about the functions and services which may be
6 provided by READs. The information shall be disseminated to school
7 districts through regional education officers and in any other
8 manner deemed appropriate by the Department.

9 B. The administrative services provided by READs may include
10 but not be limited to treasurer services, accounting services,
11 purchasing services, warehouse and distribution services, human
12 resources services, construction management, maintenance, risk
13 management, information technology services, special education
14 coordination, curriculum coordination, speech pathologist services,
15 reading specialist services, transportation services, cafeteria
16 services and shared superintendent services. Any personnel
17 operating under a READ may be housed at a local technology center
18 school site.

19 C. If the State Department of Education finds a currently
20 operating regional or interlocal cooperative providing services to
21 school districts, the Department may provide support to the
22 cooperative.

23 D. READs may receive financial support from participating
24 school districts from money appropriated for state aid purposes.

1 The State Board of Education may determine the range of fees due to
2 READs for basic costs of providing services, taking into
3 consideration the minimum amount necessary for operation of a READ,
4 the number and size of participating school districts and the
5 geographic size of the READ service area. No fees shall be required
6 of school districts pursuant to this act that are greater than fees
7 charged school districts pursuant to similar programs.

8 E. 1. If two school districts enter into a mutual contract
9 with a superintendent pursuant to Section 5-106A of Title 70 of the
10 Oklahoma Statutes, both districts may receive a discounted fee, to
11 be determined by the State Board of Education, for participating in
12 a READ.

13 2. If three or more school districts enter into a mutual
14 contract with a superintendent pursuant to Section 5-106A of Title
15 70 of the Oklahoma Statutes, the districts may receive an
16 appropriately discounted fee, to be determined by the State Board of
17 Education, for participating in a READ.

18 F. Participation in READs shall be voluntary.

19 G. The State Board of Education shall promulgate rules to
20 implement the provisions of this section.
