11 which relates to payment of support through registry;  
12 directing allocation of certain payments; and  
13 providing an effective date.

14 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

15 SECTION 1. AMENDATORY 12 O.S. 2011, Section 1171.3, is  
16 amended to read as follows:

17 Section 1171.3. A. In all child support cases arising out of  
18 an action for divorce, paternity or other proceedings, the court  
19 shall order the payment of child support as provided under Section  
20 115 of Title 43 of the Oklahoma Statutes.

21 B. 1. A notice of income assignment shall be sent by the  
22 applicant to the payor on a standardized form prescribed by the  
23 Secretary of the United States Department of Health and Human  
24 Services and available through the Administrative Office of the  
Courts. The notice shall be sent by certified mail, return receipt  
requested or served according to law. The payor shall be required

1 to comply with the provisions of this subsection and the provisions  
2 stated in the notice.

3 2. The income assignment shall take effect on the next payment  
4 of earnings to the obligor after the payor receives notice. The  
5 amount withheld shall be sent to the Centralized Support Registry as  
6 provided for in Section 413 of Title 43 of the Oklahoma Statutes  
7 within seven (7) days after the date upon which the obligor is paid.  
8 The payor shall include with each payment a statement reporting the  
9 date the obligor's support obligation was withheld and, if known,  
10 the case identification number to which the payment is to be  
11 applied.

12 3. Each pay period the payor shall withhold the amounts  
13 specified in the notice from the obligor's income and earnings. The  
14 amount withheld by the payor shall not exceed the limits on the  
15 percentage of an obligor's income which may be assigned for support  
16 pursuant to Section 1171.2 of this title.

17 4. The income assignment is binding upon the payor until  
18 released or until further order of the court.

19 5. All payments shall be made through the Centralized Support  
20 Registry as provided in Section 413 of Title 43 of the Oklahoma  
21 Statutes.

22 6. If the amount of support due under all income assignments  
23 against the obligor exceeds the maximum amount authorized by Section  
24 1171.2 of this title, the payor shall pay the amount due up to the

1 statutory limit, and the payor shall send written notice to the  
2 person or agency designated to receive payments that the amount due  
3 exceeds the amount subject to withholding. If the payor wrongfully  
4 fails to pay or notify as required in this subsection, the payor may  
5 be liable for an amount up to the accumulated amount due upon  
6 receipt of the notice.

7 7. If the payor is the obligor's employer, the payor shall send  
8 written notice to the person or agency designated to receive  
9 payments within ten (10) days of the date the obligor terminates  
10 employment, and shall provide the obligor's last-known address and  
11 the name of the obligor's new employer, if known.

12 8. If the payor has no income due or to be due to the obligor  
13 in the payor's possession or control or if the obligor has  
14 terminated employment with the payor prior to the receipt of notice  
15 of income assignment required pursuant to this subsection, the payor  
16 shall send written notice to the person or agency designated to  
17 receive payments within ten (10) days. Failure to notify the person  
18 or agency entitled to support within the required time limit may  
19 subject the payor to liability for an amount up to the accumulated  
20 amount due upon receipt of the notice of income assignment.

21 9. The payor is liable for any amount up to the accumulated  
22 amount that should have been withheld and paid, and may be fined up  
23 to Two Hundred Dollars (\$200.00) for each failure to make the  
24 required deductions if the payor:

- a. fails to withhold or pay the support in accordance with the provisions of the income assignment notice, or
- b. fails to notify the person or agency designated to receive payments as required.

10. The payor may combine withheld amounts from earnings of two or more obligors subject to the same support order in a single payment and separately identify that portion of the single payment which is attributable to each individual obligor.

11. An income assignment for child support shall have priority over any prior or subsequent garnishments of the same wages.

12. The payor may deduct from any earnings of the obligor a sum not exceeding Five Dollars (\$5.00) per pay period but not to exceed Ten Dollars (\$10.00) per month as reimbursement for costs incurred by the payor for the income assignment.

13. The income assignment shall remain in effect regardless of a change of payor.

14. The income assignment shall remain in effect as long as current support is due or until all arrearages for support are paid, whichever is later. Payment of arrearages shall not prevent the income assignment from taking effect.

15. The payor may not discipline, suspend, discharge, or refuse to promote an obligor because of an income assignment executed pursuant to this section. Any payor who violates this section shall

1 be liable to the obligor for all income, wages, and employment  
2 benefits lost by the obligor from the period of unlawful discipline,  
3 suspension, discharge, or refusal to promote until the time of  
4 reinstatement or promotion.

5 C. Income assignment shall be available to collect any amounts  
6 due for child support, child care and medical expenses, as well as  
7 current support alimony payments; provided, child support shall be  
8 paid prior to any alimony payments.

9 D. Any existing support order or income assignment which is  
10 brought before the court shall be modified by the court to conform  
11 to the provisions of this section.

12 E. Any person obligated to pay support, who has left or is  
13 beyond the jurisdiction of the court, may be prosecuted under any  
14 other proceedings available pursuant to the laws of this state for  
15 the enforcement of the duty of support and maintenance.

16 F. The income assignment proceedings specified in this section  
17 shall be available to other states for the enforcement of support  
18 and maintenance or to enforce out-of-state orders. Venue for these  
19 proceedings is, at the option of the obligee:

20 1. In the county in this state in which the support order was  
21 entered;

22 2. In the county in this state in which the obligee resides; or

23 3. In the county in this state in which the obligor resides or  
24 receives income.

1       G. 1. In all child support cases in which child support  
2 services are being provided under the state child support plan as  
3 provided under Section 237 of Title 56 of the Oklahoma Statutes, all  
4 orders for support are subject to immediate income assignment  
5 without need for a hearing by the district or administrative court.

6       2. In all child support cases arising out of an action for  
7 divorce, paternity, or other proceeding in which services are not  
8 being provided under the state child support plan as provided under  
9 Section 237 of Title 56 of the Oklahoma Statutes, the court shall  
10 order the income of any parent ordered to pay child support to be  
11 subject to immediate income assignment regardless of whether child  
12 support payments are in arrears at the time of the order, unless:

13       a. one of the parties demonstrates and the court finds  
14       that there is good cause not to require immediate  
15       income withholding. Any finding that there is good  
16       cause not to require immediate income assignment must  
17       be based upon at least:

- 18       (1) a written determination and explanation by the  
19       court or administrative authority of why  
20       implementing immediate income assignment would  
21       not be in the best interests of the child, and  
22       (2) proof of timely payment of previously ordered  
23       support in cases involving modification of  
24       support orders, or

1           b.    a written agreement is reached between the parties  
2                which provides for an alternative arrangement. For  
3                purposes of this subparagraph, "written agreement"  
4                means a written alternative arrangement signed by both  
5                the custodial and noncustodial parents which has been  
6                reviewed by the court and entered into the record by  
7                the court or administrative authority.
