6 [gross production tax - eliminating specified
7 reporting requirements - effective date]
8

9 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

10 SECTION 1. AMENDATORY 68 O.S. 2011, Section 1010, is
11 amended to read as follows:

12 Section 1010. A. The tax provided for in Section 1001 et seq.
13 of this title shall be paid to the Oklahoma Tax Commission.

14 B. Except as otherwise provided in subsection G of this
15 section, every person responsible for paying or remitting the tax
16 levied by Section 1001 et seq. of this title on the production from
17 any lease shall file with the Tax Commission a monthly report on
18 each lease, ~~regardless of sales or purchases of production from the~~
19 ~~lease during the report period,~~ under oath, on forms prescribed by
20 the Tax Commission, giving, with other information required, the
21 following:

22 1. The Tax Commission assigned production unit number,
23 subnumber and merge number, or, with the consent of the Tax
24 Commission, the full description of the property by lease name,

1 subdivision of quarter section, section, township, and range, from
2 which the oil or gas was produced, or both, as may be required by
3 the Tax Commission;

4 2. The Tax Commission assigned company reporting numbers of the
5 producer and purchaser, or with the consent of the Tax Commission,
6 the company name;

7 3. The gross amount of asphalt, ores bearing lead, zinc, jack,
8 ~~gold, silver~~ or copper, oil or gas produced or purchased, ~~or, in the~~
9 ~~event of no production or no sale or purchase during the report~~
10 ~~period, zero gross amount shall be reported;~~

11 4. The kind of mineral, oil, gas, or casinghead gas produced or
12 purchased;

13 5. The total value of the mineral oil, gas, or casinghead gas,
14 at the time and place of production, including any and all premiums
15 paid for the sale thereof, at the price paid, if purchased at the
16 time of production;

17 6. If requested by the Tax Commission, the prevailing market
18 price of oil not sold at the time of production; and

19 7. The amount of royalty payable on the production from the
20 lease, if the royalty is claimed to be exempt from taxation by law,
21 and the facts on which such claim of exemption is based and such
22 other information pertaining to the claim as the Tax Commission may
23 require.
24

1 Each report required by the provisions of this section shall be
2 filed on separate forms as to product and county.

3 C. No person shall engage in the mining or production within
4 this state of asphalt ~~or~~, ores bearing lead, zinc, jack, ~~gold,~~
5 ~~silver,~~ or copper, oil or gas, prior to obtaining from the Tax
6 Commission a Tax Commission assigned producer reporting number and a
7 Tax Commission assigned production unit number, subnumber and merge
8 number for each producing lease. No person shall engage in the
9 purchase of asphalt, ores bearing lead, zinc, jack, ~~gold, silver~~ or
10 copper, oil or gas from a producing lease prior to obtaining from
11 the Tax Commission a Tax Commission assigned purchaser reporting
12 number and the Tax Commission assigned production unit number,
13 subnumber and merge number, of the lease from which the production
14 is to be purchased.

15 1. Every producer and purchaser shall make application, upon
16 forms prescribed by the Tax Commission, for a Tax Commission
17 assigned producer or purchaser reporting number prior to producing
18 or purchasing production. Every producer shall obtain, by making
19 application upon forms prescribed by the Tax Commission, a Tax
20 Commission assigned production unit number, subnumber and merge
21 number for each lease from which lease production will be sold or
22 disposed before disposing of production from any lease in the state.

23 Provided, however, the Tax Commission shall not approve any
24 application for a Tax Commission assigned producer or purchaser

1 reporting number without proper confirmation that the applicant has
2 posted the requisite surety documents with the Corporation
3 Commission pursuant to Section 318.1 of Title 52 of the Oklahoma
4 Statutes.

5 2. Every producer or purchaser shall notify the Tax Commission
6 within thirty (30) days of any changes of any producing lease in the
7 state as may be required by the Tax Commission. Provided, the Tax
8 Commission may relieve producers and purchasers of their duty to
9 file the notification required by this paragraph if the Tax
10 Commission determines that the notification is not necessary.

11 3. Gross production tax reports from either the purchaser or
12 producer shall become due on the first day of each calendar month on
13 all products subject to the tax levied by Section 1001 et seq. of
14 this title produced in and saved during the preceding monthly
15 period. If such reports are not received by the Tax Commission on
16 or before the twenty-fifth day of the second calendar month
17 following the month of production, the reports shall become
18 delinquent. Any requested or required amended report or any
19 requested information submitted in response to written demand for
20 information which is not received by the Tax Commission on or before
21 thirty (30) days after the mailing of the request or demand by the
22 Tax Commission or any of its employees shall be delinquent.

23 D. Every person required to file such forms or reports or who
24 has been requested to file an amended report to provide information

1 by written demand, or who has purchased oil or gas from a lease
2 prior to being authorized by the Tax Commission to purchase
3 production from such lease, will be subject to and may be assessed
4 the following penalties for each delinquency:

5 1. Five Dollars (\$5.00) per day for each Tax Commission
6 assigned production unit number or subnumber or merge number or
7 product code, upon which a form, report, amended report, or for
8 which requested information in response to written demand is
9 delinquent and for each day from the date a purchaser buys
10 production from a lease from which it is not authorized to purchase
11 to the date the Tax Commission approves the purchaser to buy from
12 such lease; provided, such penalty shall not be assessed for an
13 amount in excess of One Thousand Five Hundred Dollars (\$1,500.00).
14 The penalties may be waived by the Tax Commission or its designee
15 for good cause shown; and

16 2. If within twelve (12) months after a previous assessment of
17 penalties as provided for by this section a subsequent delinquency
18 occurs, penalties may be assessed at the rate of Ten Dollars
19 (\$10.00) per day for each Tax Commission assigned production unit
20 number or subnumber or merge number, or product code; provided such
21 penalty shall not be assessed for an amount in excess of One
22 Thousand Five Hundred Dollars (\$1,500.00). The penalty thereon may
23 be waived, in whole or in part, by the Tax Commission, for good
24 cause shown.

1 The penalties prescribed herein shall be in addition to other
2 penalties assessable by the Tax Commission pursuant to the laws of
3 this state. The penalties prescribed by this section may be
4 collected and shall be apportioned to the General Revenue Fund.

5 E. Gross production tax forms reports, amended reports, or
6 requested information in response to written demands which are
7 received by the Tax Commission on or after the time fixed for
8 delinquency, but which were mailed prior to the time fixed for
9 delinquency, shall be deemed to have been received by the Tax
10 Commission before becoming delinquent. Postmark or registry or
11 certified receipt showing deposit in the U.S. mails shall be
12 conclusive evidence of the date of mailing. Provided all
13 remittances due under such reports or amended reports must be
14 received by the Tax Commission on or before the date specified by
15 law regardless of when mailed.

16 F. In the event a person required to remit the tax levied by
17 the provisions of Section 1001 et seq. of this title becomes
18 delinquent in reporting or remitting the tax, or upon a
19 determination by the Tax Commission that the state may lose tax
20 revenues due to the difficulty of collecting same, the Tax
21 Commission may require any person required to remit the tax to
22 furnish a sufficient cash deposit, bond, or other security in an
23 amount as will protect the tax revenues of this state.

1 G. In lieu of monthly reporting, a royalty owner taking gas in
2 kind for the royalty owner's own consumption who is responsible for
3 remitting the tax levied by Section 1001 et seq. of this title may
4 file semiannual reports and remit taxes due thereunder to the Tax
5 Commission on or before the first day of January and July of each
6 year for the preceding six-month period. If not received on or
7 before the last day of such month, the report and tax shall be
8 delinquent.

9 SECTION 2. AMENDATORY 68 O.S. 2011, Section 1024, is
10 amended to read as follows:

11 Section 1024. A. The Tax Commission may ~~upon written request,~~
12 release to any person the volume of production, during any specified
13 available period of time, of any substance taxable pursuant to the
14 provisions of this article from any lease lawfully plugged, pursuant
15 to the laws of this state after certification of ~~said~~ the plugging
16 by the Oklahoma Corporation Commission.

17 B. The Tax Commission may, ~~upon oral or written request,~~
18 release the lease name, legal description, Oklahoma Tax Commission
19 assigned production unit number for any lease or unit in this state
20 and the Oklahoma Tax Commission assigned purchaser or producer
21 reporting number and purchaser or producer name to any person.

22 C. The Tax Commission may, ~~upon written request,~~ release the
23 volume of production, producing formation and well classification,
24 active or inactive, on a lease by lease basis to any person.

1 D. The Tax Commission shall, ~~upon written request,~~ release
2 information provided in the Reclaimer's and Transporters Monthly Tax
3 Report of Lease Production Stored and Sold, OTC Form 323A-7-81, or
4 any form succeeding this form, to any person.

5 E. The Tax Commission shall, ~~upon written request,~~ release the
6 following information to any person executing an affidavit, under
7 penalty of perjury, declaring that they are an interest owner in the
8 well, lease or unit for which the information is requested:

9 1. The gross, exempt and net volumes and values of production,
10 tax reimbursements, additional values and taxes remitted thereon,
11 during any available period of time of any substance taxable
12 pursuant to the provisions of this article or the Petroleum Excise
13 Tax of this state.

14 2. The lease name, legal description, industry or company well
15 or lease unique number, Oklahoma Tax Commission assigned production
16 unit number for any lease or unit in this state and the Oklahoma Tax
17 Commission assigned purchaser or producer reporting number and
18 purchaser or producer name.

19 3. The producing formation and well classification, active or
20 inactive, on a lease by lease basis and if available, on a well by
21 well basis, and British Thermal Unit content, NGPA classification,
22 gas code, gravity, tier, category and oil class.

23 F. It is specifically provided that:
24

1 1. The Tax Commission shall establish a schedule of costs for
2 the furnishing of the information in accordance with the provisions
3 of subsections A and B of this section and shall collect ~~said~~ such
4 costs;

5 2. No civil or criminal liability shall attach to any member of
6 the Tax Commission, or to any agents, servants, or employees of the
7 Tax Commission for any error or omission in the preparation and
8 publication of the requested information;

9 3. No costs shall be charged to the Oklahoma Corporation
10 Commission Oil and Gas Conservation Division or Energy Conservation
11 Services Division or to the Oklahoma Geological Survey for
12 examination of the files and records of the Tax Commission; and

13 4. All funds collected pursuant to the provisions of this
14 section shall be paid to the State Treasury and deposited to the
15 credit of the Tax Commission Revolving Fund.

16 G. A In addition to the information which may be released
17 pursuant to subsections A, B and C of this section, a duly
18 authorized agent of the Oklahoma Corporation Commission Oil and Gas
19 Conservation Division or Energy Conservation Services Division or of
20 the Oklahoma Geological Survey may examine necessary records and
21 files of the Tax Commission relating to the gross production tax for
22 the purpose of estimating or forecasting reserves or production of
23 oil or gas. Such examination shall be limited to information of
24

1 volume of production, producing formation and well classification,
2 active or inactive, on a lease by lease basis.

3 H. A duly authorized agent of the Commissioners of the Land
4 Office may examine necessary records and files of the Tax Commission
5 relating to the gross production tax for the purpose of determining
6 the amount of erroneous payment of gross production tax made to the
7 Oklahoma Tax Commission after January 1, 1978.

8 I. The provisions of this section shall be exceptions to the
9 provisions of Sections 205 and 205.1 of this title and ~~said~~ those
10 sections shall be strictly construed against the disclosure of any
11 other information contained in the records and files of the Tax
12 Commission except as otherwise provided by law.

13 J. Any violation of the provisions of this section shall
14 constitute a misdemeanor and shall be punishable as provided for in
15 Section 205 of this title.

16 SECTION 3. This act shall become effective November 1, 2013.
