Section 1290.14.

SAFETY AND TRAINING COURSE

A. Each applicant for a license to carry a concealed or unconcealed handgun pursuant to the Oklahoma Self-Defense Act must successfully complete a firearms safety and training course in this state conducted by a registered and approved firearms instructor as provided by the provisions of this section. The applicant must further demonstrate competence and qualification with an authorized pistol of the type or types that the applicant desires to carry as a concealed or unconcealed handgun pursuant to the provisions of the Oklahoma Self-Defense Act, except certain persons may be exempt from such training requirement as provided by the provisions of Section 1290.15 of this title.

B. The Council on Law Enforcement Education and Training (CLEET) shall establish criteria for approving firearms instructors for purposes of training and qualifying individuals for a handgun license pursuant to the provisions of the Oklahoma Self-Defense Act. Prior to submitting an application for CLEET approval as a firearms instructor, applicants shall attend a firearms instructor school, meeting the following minimum requirements:

1. Firearms instructor training conducted by one of the following entities:

- a. Council on Law Enforcement Education and Training,
- b. National Rifle Association,
- c. Oklahoma Rifle Association,
- d. federal law enforcement agencies, or

e. other professionally recognized organizations;

2. The course shall be at least sixteen (16) hours in length;

3. Upon completion of the course, the applicant shall be qualified to provide instruction on revolvers, semiautomatic pistols, or both; and

4. Receive a course completion certificate.

All firearms instructors shall be required to meet the eligibility requirements for a handgun license as provided in Sections 1290.9, 1290.10, and 1290.11 of this title, and the application shall be processed as provided for applicants in Section 1290.12 of this title, including the state and national criminal history records search and fingerprint search. A firearms instructor shall be required to pay a fee of One Hundred Dollars (\$100.00) to the Council on Law Enforcement Education and Training (CLEET) each time the person makes application for CLEET approval as a firearms instructor pursuant to the provisions of the Oklahoma Self-Defense Act. The fee shall be retained by CLEET and shall be deposited into the Firearms Instructors Revolving Fund. CLEET shall promulgate the rules, forms and procedures necessary to implement the approval of firearms instructors as authorized by the provisions of this subsection. CLEET shall periodically review each approved instructor during a training and qualification course to assure compliance with the rules and course contents. Any violation of the rules may result in the revocation or suspension of CLEET and Oklahoma State Bureau of Investigation approval. Unless the approval has been revoked or suspended, a firearms instructor's CLEET approval shall be for a term of five (5) years. Beginning on July 1, 2003, any firearms instructor who has been issued a four-year CLEET approval shall not be eligible for the five-year approval until the expiration of the approval previously issued. CLEET shall be responsible for notifying all approved firearms instructors of statutory and policy changes related to the Oklahoma Self-Defense Act. A firearms instructor shall not be required to submit his or her fingerprints for a fingerprint search when renewing a firearms instructor's CLEET approval.

C. 1. All firearms instructors approved by CLEET to train and qualify individuals for a handgun license shall be required to apply for registration with the Oklahoma State Bureau of Investigation after receiving CLEET approval. All firearms instructors teaching the approved course for a handgun license must display their registration certificate during each training and qualification course. Each approved firearms instructor shall complete a registration form provided by the Bureau and shall have the option to pay a registration fee of either One Hundred Dollars (\$100.00) for a five-year registration certificate or Two Hundred Dollars (\$200.00) for a ten-year registration certificate to the Bureau at the time of each application for registration, except as provided in paragraph 2 of this subsection. Registration certificates issued by the Bureau shall be valid for a period of five (5) years or ten (10) years from the date of issuance. The Bureau shall issue a five-year or ten-year handgun license to an approved firearms instructor at the time of issuance of a registration certificate and no additional fee shall be required or charged. The Bureau shall maintain a current listing of all registered firearms instructors in this state. Nothing in this paragraph shall be construed to eliminate the requirement for registration and training with CLEET as provided in subsection B of this section. Failure to register or be trained as required shall result in a revocation or suspension of the instructor certificate by the Bureau.

2. On or after July 1, 2003, the registered instructors listed in subparagraphs a and b of this paragraph shall not be required to renew the firearms instructor registration certificate with the Oklahoma State Bureau of Investigation at the expiration of the registration term, provided the instructor is not subject to any suspension or revocation of the firearms instructor certificate. The firearms instructor registration with the Oklahoma State Bureau of Investigation shall automatically renew together with the handgun license authorized in paragraph 1 of this subsection for an additional five-year term and no additional cost or fee may be charged for the following individuals:

- a. an active duty law enforcement officer of this state or any of its political subdivisions or of the federal government who has a valid CLEET approval as a firearms instructor pursuant to the Oklahoma Self-Defense Act, and

- b. a retired law enforcement officer authorized to carry a firearm pursuant to Section 1289.8 of this title who has a valid CLEET approval as a firearms instructor pursuant to the Oklahoma Self-Defense Act.

D. The Oklahoma State Bureau of Investigation shall approve registration for a firearms instructor applicant who is in full compliance with CLEET rules regarding firearms instructors and the provisions of subsection B of this section, if completion of the federal fingerprint search is the only reason for delay of registration of that firearms instructor applicant. Upon receipt of the federal fingerprint search information, if the Bureau receives information which precludes the person from having a handgun license, the Bureau shall revoke both the registration and the handgun license previously issued to the firearms instructor.

E. The required firearms safety and training course and the actual demonstration of competency and qualification required of the applicant shall be designed and conducted in such a manner that the course can be reasonably completed by the applicant within an eight-hour period. CLEET shall establish the course content and promulgate rules, procedures and forms necessary to implement the provisions of this subsection. For the training and qualification course, an applicant may be charged a fee which shall be determined by the instructor or entity that is conducting the course. ~~The instructor to student ratio shall not exceed ten students to any one instructor~~ maximum class size shall be determined by the instructor conducting the course; provided, however, practice shooting sessions shall not have more than ten participating students at one time. CLEET may establish criteria for assistant instructors, ~~maximum class size~~ and any other requirements deemed necessary to conduct a safe and effective training and qualification course. The course content shall include a safety inspection of the firearm to be used by the applicant in the training course; instruction on pistol handling, safety and storage; dynamics of ammunition and firing; methods or positions for firing a pistol; information about the criminal provisions of the Oklahoma law relating to firearms; the requirements of the Oklahoma Self-Defense Act as it relates to the applicant; self-defense and the use of appropriate force; a practice shooting session; and a familiarization course. The firearms instructor shall refuse to train or qualify any person when the

pistol to be used or carried by the person is either deemed unsafe or unfit for firing or is a weapon not authorized by the Oklahoma Self-Defense Act. The course shall provide an opportunity for the applicant to qualify himself or herself on either a derringer, a revolver, a semiautomatic pistol or any combination of a derringer, a revolver and a semiautomatic pistol, provided no pistol shall be capable of firing larger than .45 caliber ammunition. Any applicant who successfully trains and qualifies himself or herself with a semiautomatic pistol may be approved by the firearms instructor on the training certificate for a semiautomatic pistol, a revolver and a derringer upon request of the applicant. Any person who qualifies on a derringer or revolver shall not be eligible for a semiautomatic rating until the person has demonstrated competence and qualifications on a semiautomatic pistol. Upon successful completion of the training and qualification course, a certificate shall be issued to each applicant who successfully completes the course. The certificate of training shall comply with the form established by CLEET and shall be submitted with an application for a handgun license pursuant to the provisions of paragraph 2 of subsection A of Section 1290.12 of this title.

F. There is hereby created a revolving fund for the Council on Law Enforcement Education and Training (CLEET), to be designated the "Firearms Instructors Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all funds received for approval of firearms instructors for purposes of the Oklahoma Self-Defense Act. All funds received shall be deposited to the fund. All monies accruing to the credit of said fund are hereby appropriated and may be budgeted and expended by the Council on Law Enforcement Education and Training, for implementation of the training and qualification course contents, approval of firearms instructors and any other CLEET requirement pursuant to the provisions of the Oklahoma Self-Defense Act or as may otherwise be deemed appropriate by CLEET. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

Section 2817. A. All taxable personal property, except intangible personal property, personal property exempt from ad valorem taxation, or household personal property, shall be listed and assessed each year at its fair cash value, estimated at the price it would bring at a fair voluntary sale, as of January 1.

The fair cash value of household personal property shall be valued at ten percent (10%) of the appraised value of the improvement to the residential real property within which such personal property is located as of January 1 each year. The assessment of household personal property as provided by this section may be altered by the taxpayer listing such property at its actual fair cash value. For purposes of establishing the value of household personal property, pursuant to the requirement of Section 8 of Article X of the Oklahoma Constitution, the percentage of value prescribed by this section for the household personal property shall be presumed to constitute the fair cash value of the personal property.

All unmanufactured farm products shall be assessed and valued as of the preceding May 31. Every person, firm, company, association, or corporation, in making the assessment, shall assess all unmanufactured farm products owned by the person, firm, company, association or corporation on the preceding May 31, at its fair cash value on that date instead of January 1.

Stocks of goods, wares and merchandise shall be assessed at the value of the average amount on hand during the preceding year, or the average amount on hand during the part of the preceding year the stock of goods, wares or merchandise was at its January 1 location.

B. All taxable real property shall be assessed annually as of January 1, at its fair cash value, estimated at the price it would bring at a fair voluntary sale for:

1. The highest and best use for which the property was actually used during the preceding calendar year; or

2. The highest and best use for which the property was last classified for use if not actually used during the preceding calendar year.

When improvements upon residential real property are divided by a taxing jurisdiction line, those improvements shall be valued and assessed in the taxing jurisdiction in which the physical majority of those improvements are located.

The Ad Valorem Division of the Oklahoma Tax Commission shall be responsible for the promulgation of rules which shall be followed by each county assessor of the state, for the purposes of providing for the equitable use valuation of locally assessed real property in this state. Agricultural land and nonresidential improvements necessary or convenient for agricultural purposes shall be assessed for ad valorem taxation based upon the highest and best use for which the property was actually used, or was previously classified for use, during the calendar year next preceding January 1 on which the assessment is made.

C. The use value of agricultural land shall be based on the income capitalization approach using cash rent. The rental income shall be calculated using the direct capitalization method based upon factors including, but not limited to:

1. Soil types, as depicted on soil maps published by the Natural Resources Conservation Service of the United States Department of Agriculture;

2. Soil productivity indices approved by the Ad Valorem Division of the Tax Commission;

3. The specific agricultural purpose of the soil based on use categories approved by the Ad Valorem Division of the Tax Commission; and

4. A capitalization rate to be determined annually by the Ad Valorem Division of the Tax Commission based on the sum of the

average first mortgage interest rate charged by the Federal Land Bank for the immediately preceding five (5) years, weighted with the prevailing rate or rates for additional loans or equity, and the effective tax rate.

The final use value will be calculated using the soil productivity indices and the agricultural use classification as defined by rules promulgated by the State Board of Equalization. This subsection shall not be construed in a manner which is inconsistent with the duties, powers and authority of the Board as to valuation of the counties as fixed and defined by Section 21 of Article X of the Oklahoma Constitution.

However, in calculating the use value of buffer strips as defined in Section 2817.2 of this title, exclusive consideration shall be based only on income from production agriculture from such buffer strips, not including federal or state subsidies, when valued as required by subsection C of Section 2817.2 of this title.

D. The use value of nonresidential improvements on agricultural land shall be based on the cost approach to value estimation using currently updated cost manuals published by the Marshall and Swift Company or similar cost manuals approved by the Ad Valorem Division of the Tax Commission. The use value estimates for the nonresidential improvements shall take obsolescence and depreciation into consideration in addition to necessary adjustments for local variations in the cost of labor and materials. This section shall not be construed in a manner which is inconsistent with the duties, powers and authority of the Board as to equalization of valuation of the counties as determined and defined by Section 21 of Article X of the Oklahoma Constitution.

The use value of facilities used for poultry production shall be determined according to the following procedures:

1. The Ad Valorem Division of the Tax Commission is hereby directed to develop a standard system of valuation of both real and personal property of such facilities, which shall be used by all county assessors in this state, under which valuation based on the following shall be presumed to be the fair cash value of the property:

- a. for real property, a ten-year depreciation schedule, at the end of which the residual value is twenty percent (20%) of the value of the facility during its first year of operation, and
- b. for personal property, a five-year depreciation schedule, at the end of which the residual value is zero;

2. Such facilities shall be valued only in comparison to other facilities used exclusively for poultry production. Such a facility which is no longer used for poultry production shall be deemed to have no productive use;

3. During the first year such a facility is placed on the tax rolls, its fair cash value shall be presumed to be the lesser of the actual purchase price or the actual documented cost of construction; and

4. For the purpose of determining the valuation of nonresidential improvements used for poultry production, the provisions of this subsection shall be applicable and such improvements shall not be considered to be commercial property.

E. The value of investment in property used exclusively by an oil refinery that is used wholly as a facility, device or method for the desulphurization of gasoline or diesel fuel as defined in Section 2817.3 of this title shall not be included in the capitalization used in the determination of fair market value of such oil refinery if such property would qualify as exempt property pursuant to Section 2902 of this title, whether or not an application for such exemption is made by an otherwise qualifying manufacturing concern owning the property described by Section 2817.3 of this title.

F. The use value of a lot in any platted addition or a subdivision in a city, town or county zoned for residential, commercial, industrial or other use shall be deemed to be the fair cash value of the underlying tract of land platted, divided by the number of lots contained in the platted addition or subdivision until the lot shall have been conveyed to a bona fide purchaser or the lot with building or buildings located thereon shall have been

occupied other than as a sales office by the owner thereof, or shall have been leased, whichever event shall first occur. One who purchases a lot for the purposes of constructing and selling a building on such lot shall not be deemed to be a bona fide purchaser for purposes of this section. However, if the lot is held for a period longer than two (2) years before construction, then the assessor may consider the lot to have been conveyed to a bona fide purchaser. The cost of any land or improvements to any real property required to be dedicated to public use, including, but not limited to, streets, curbs, gutters, sidewalks, storm or sanitary sewers, utilities, detention or retention ponds, easements, parks or reserves shall not be utilized by the county assessor in the valuation of any real property for assessment purposes.

G. The transfer of real property without a change in its use classification shall not require a reassessment thereof based exclusively upon the sale value of the property. However, if the county assessor determines:

1. That by reason of the transfer of a property there is a change in the actual use or classification of the property; or

2. That by reason of the amount of the sales consideration it is obvious that the use classification prior to the transfer of the property is not commensurate with and would not justify the amount of the sales consideration of the property;

then the assessor shall, in either event, reassess the property for the new use classification for which the property is being used, or, the highest and best use classification for which the property may, by reason of the transfer, be classified for use.

H. When the term "fair cash value" or the language "fair cash value, estimated at the price it would bring at a fair voluntary sale" is used in the Ad Valorem Tax Code, in connection with and in relation to the assessment of real property, it is defined to mean and shall be given the meaning ascribed and assigned to it in this section and when the term or language is used in the Code in connection with the assessment of personal property it shall be given its ordinary or literal meaning.

I. Where any real property is zoned for a use by a proper zoning authority, and the use of the property has not been changed, the use and not zoning shall determine assessment. Any reassessment required shall be effective January 1 following the change in use. Taxable real property need not be listed annually with the county assessor.

J. If any real property shall become taxable after January 1 of any year, the county assessor shall assess the same and place it upon the tax rolls for the next ensuing year. When any building is constructed upon land after January 1 of any year, the value of the building shall be added by the county assessor to the assessed valuation of the land upon which the building is constructed at the fair cash value thereof for the next ensuing year. However, after the building has been completed it shall be deemed to have a value for assessment purposes of the fair cash value of the materials used in such building only, until the building and the land on which the building is located shall have been conveyed to a bona fide purchaser or shall have been occupied or used for any purpose other than as a sales office by the owner thereof, or shall have been leased, whichever event shall first occur. The county assessor shall continue to assess the building based upon the fair market value of the materials used therein until the building and land upon which the building is located shall have been conveyed to a bona fide purchaser or is occupied or used for any purpose other than as a sales office by the owner thereof, or is leased, whichever event shall first occur.

K. In case improvements on land or personal property located therein or thereon are destroyed by fire, lightning, storm, winds, floodwaters, overflow of streams or other cause, or the value of land is impaired, damaged or destroyed by fire, lightning, storm, winds, floodwaters, overflow of streams or other cause, during any year, the county assessor shall determine the amount of damage and shall reassess the property for that year at the fair cash value of the property, as defined herein, taking into account the damage occasioned by fire, lightning, storm, winds, floodwaters, overflow of streams or other cause and shall present the reassessment to the board of tax roll corrections for its consideration.

L. All taxable personal property used in the exploration of oil, natural gas, or other minerals, including drilling equipment

and rigs, shall be assessed annually at the value set forth in the first Hadco International monthly bulletin published for the tax year, using the appropriate depth rating assigned to the drawworks by its manufacturer and the actual condition of the rig.

M. The value of taxable tangible personal property used in commercial disposal systems of waste materials from the production of oil and gas shall not include any contract rights or leases for the use of such systems nor any value associated with the wellbore or non-recoverable down-hole material, including casing.

SECTION 21. REPEALER 68 O.S. 2011, Section 2817, as amended by Section 3, Chapter 401, O.S.L. 2013 (68 O.S. Supp. 2013, Section 2817), is hereby repealed.

SECTION 22. AMENDATORY 68 O.S. 2011, Section 3604, as amended by Section 2, Chapter 378, O.S.L. 2013 (68 O.S. Supp. 2013, Section 3604), is amended to read as follows:

B. In order to receive incentive payments, an establishment shall apply to the Oklahoma Department of Commerce. The application shall be on a form prescribed by the Department and shall contain such information as may be required by the Department to determine if the applicant is qualified. An establishment may apply for an effective date for a project, which shall not be more than twenty-four (24) months from the date the application is submitted to the Department.

C. Except as otherwise provided by subsection D or E of this section, in order to qualify to receive such payments, the establishment applying shall be required to:

1. Be engaged in a basic industry;

3. Have a number of full-time-equivalent employees subject to the tax imposed by Section 2355 of this title and working an annual average of thirty (30) or more hours per week in new direct jobs located in this state equal to or in excess of eighty percent (80%) of the total number of new direct jobs.

2. One hundred percent (100%) of the average county wage as that percentage is determined by the ~~Oklahoma State Data Center~~ Department of Commerce based upon the most recent U.S. Department of Commerce data for the county in which the new jobs are located. For purposes of this paragraph, health care premiums paid by the applicant for individuals in new direct jobs shall not be included in the annualized wage.

Provided, no average wage requirement shall exceed Twenty-five Thousand Dollars (\$25,000.00), in any county. This maximum wage threshold shall be indexed and modified from time to time based on the latest Consumer Price Index year-to-date percent change release as of the date of the annual average county wage data release from the Bureau of Economic Analysis of the U.S. Department of Commerce.

G. 1. As used in this subsection, "opportunity zone" means one or more census tracts in which, according to the most recent federal decennial census, at least thirty percent (30%) of the residents have annual gross household incomes from all sources below the poverty guidelines established by the U.S. Department of Health and Human Services. 2. As used in this subsection:

a. "negative economic event" means:

(1) a man-made disaster or natural disaster as defined in Section 683.3 of Title 63 of the

- b. "significant number of jobs" means Local Area Unemployment Statistics (LAUS) data, as determined by the Bureau of Labor Statistics, for a county which are equal to or in excess of five percent (5%) of the total amount of Local Area Unemployment Statistics (LAUS) data for that county for the calendar year, or most recent twelve-month period in which employment is measured, preceding the event.

An establishment which is otherwise qualified to receive incentive payments and which locates in a county in which a negative economic event has occurred within the eighteen-month period preceding the start date shall not be subject to the requirements of subsection F of this section; provided, an establishment shall not be eligible to receive incentive payments based upon a negative economic event with respect to jobs that are transferred from one county of this state to another.

H. The Department shall determine if the applicant is qualified to receive incentive payments.

I. If the applicant is determined to be qualified by the Department and is not subject to the provisions of subparagraph d of paragraph 7 of subsection A of Section 3603 of this title, the Department shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for a ten-year period beginning with the first complete calendar quarter following the start date and to estimate the amount of gross payroll for a ten-year period beginning with the first complete calendar quarter following the start date or for a fifteen-year period for an establishment defined or classified in the NAICS

Manual under U.S. Industry No. 711211 (2007 version). In conducting such cost/benefit analysis, the Department shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the added cost to the state of providing services, and such other criteria as deemed appropriate by the Department. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits, except for applicants subject to the provisions of subparagraph d of paragraph 7 of subsection A of Section 3603 of this title.

J. Upon approval of such an application, the Department shall notify the Tax Commission and shall provide it with a copy of the contract and the results of the cost/benefit analysis. The Tax Commission may require the qualified establishment to submit such additional information as may be necessary to administer the provisions of the Oklahoma Quality Jobs Program Act. The approved establishment shall file quarterly claims with the Tax Commission and shall continue to file such quarterly claims during the ten-year incentive period to show its continued eligibility for incentive payments, as provided in Section 3606 of this title, or until it is no longer qualified to receive incentive payments. The establishment may be audited by the Tax Commission to verify such eligibility. Once the establishment is approved, an agreement shall be deemed to exist between the establishment and the State of Oklahoma, requiring the continued incentive payment to be made as long as the establishment retains its eligibility as defined in and established pursuant to this section and Sections 3603 and 3606 of this title and within the limitations contained in the Oklahoma Quality Jobs Program Act, which existed at the time of such approval. An establishment described in this subsection shall be required to repay all incentive payments received under the Oklahoma Quality Jobs Program Act if the establishment is determined by the Oklahoma Tax Commission to no longer have business operations in the state within three (3) years from the beginning of the calendar quarter for which the first incentive payment claim is filed.

K. A municipality with a population of less than one hundred thousand (100,000) persons in which an establishment eligible to receive quarterly incentive payments pursuant to the provisions of this section is located may file a claim with the Tax Commission for up to twenty-five percent (25%) of the amount of such payment. The amount of such claim shall not exceed amounts paid by the

municipality for direct costs of municipal infrastructure improvements to provide water and sewer service to the establishment. Such claim shall not be approved by the Tax Commission unless the municipality and the establishment have entered into a written agreement for such claims to be filed by the municipality prior to submission of the application of the establishment pursuant to the provisions of this section. If such claim is approved, the amount of the payment to the establishment made pursuant to the provisions of Section 3606 of this title shall be reduced by the amount of the approved claim by the municipality and the Tax Commission shall issue a warrant to the municipality in the amount of the approved claim in the same manner as warrants are issued to qualifying establishments.

SECTION 23. REPEALER 68 O.S. 2011, Section 3604, as amended by Section 24, Chapter 227, O.S.L. 2013 (68 O.S. Supp. 2013, Section 3604), is hereby repealed.

The application shall be on a form prescribed by the Department and shall contain such information as may be required by the Department to determine if the applicant is qualified. For purposes of this paragraph, health care premiums paid by the applicant for individuals in new direct jobs shall not be included in the annualized wage. Provided, no average wage requirement shall exceed Ninety-four Thousand Dollars (\$94,000.00) in any county. D. The Oklahoma Department of Commerce shall determine if an applicant is qualified to receive the incentive payment. Upon qualifying the applicant, the Department shall notify the Tax Commission and shall provide it with a copy of the contract and approval which shall provide the number of persons employed by the applicant upon the date of approval and the maximum total incentives which may be paid to the applicant during the ten-year period. The Tax Commission may require the qualified establishment to submit additional information as may be necessary to administer the provisions of this act. The approved establishment shall report to the Tax Commission quarterly to show its continued eligibility for incentive payments, as provided in Section 3905 of ~~Title 68 of the Oklahoma Statutes~~ this title.
