SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2355.1E of Title 68, unless there is created a duplication in numbering, reads as follows:

A. The provisions of this section shall be applicable with respect to the implementation of the decreases in the top marginal rate of individual income tax otherwise authorized pursuant to the provisions of subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes, which shall be contingent upon a determination by the State Board of Equalization made by a comparison of the revenue computations described by this section which shall be conducted until the income tax rate of four and eighty-five hundredths percent (4.85%) is effective.

B. In addition to any other duties prescribed by law, at the meeting required by paragraph 1 of Section 23 of Article X of the Oklahoma Constitution to be held in December 2014, and for any subsequent December meeting of the State Board of Equalization if the top marginal income tax rate prescribed by subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes has not become effective, the State Board of Equalization shall determine:

1. The amount of estimated revenue growth in the General Revenue Fund of the State Treasury for the fiscal year beginning on the next ensuing July 1; and

2. The amount by which the income tax revenue for the tax year which will begin on the second January 1 following such December

meeting is estimated to be reduced by a fifteen hundredths percent (0.15%) decrease in the top marginal income tax rate, in order for a top marginal income tax rate of four and eighty-five hundredths percent (4.85%) to be effective.

If the amount determined pursuant to the provisions of paragraph 1 of this subsection is equal to or greater than the amount determined pursuant to the provisions of paragraph 2 of this subsection, the Board shall make a preliminary finding that the Board anticipates that a finding will be made at the February meeting immediately subsequent to the December meeting that the revenue computations required by this section will authorize the implementation of the provisions of subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes beginning on the second January 1 following the December meeting.

If the amount determined pursuant to the provisions of paragraph 1 of this subsection is less than the amount determined pursuant to the provisions of paragraph 2 of this subsection, the Board shall make a preliminary finding that the Board anticipates that a finding will be made at the February meeting immediately subsequent to the December meeting that the revenue computations required by this section will not authorize the implementation of the provisions of subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes beginning on the second January 1 following the December meeting.

C. In addition to any other duties prescribed by law, at the meeting required by paragraph 3 of Section 23 of Article X of the Oklahoma Constitution to be held in February 2015, and for any subsequent February meeting of the State Board of Equalization if the top marginal income tax rate prescribed by subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes has not become effective the State Board of Equalization shall determine:

1. The amount of estimated revenue growth in the General Revenue Fund of the State Treasury for the fiscal year beginning on the next ensuing July 1; and

2. The amount by which the income tax revenue for the tax year which will begin on the January 1 immediately following the February meeting is estimated to be reduced by a fifteen hundredths percent (.15%) decrease in the top marginal income tax rate, in order for a

top marginal income tax rate of four and eighty-five hundredths percent (4.85%) to be effective.

If the amount determined pursuant to the provisions of paragraph 1 of this subsection is equal to or greater than the amount determined pursuant to the provisions of paragraph 2 of this subsection, the Board shall make a finding that the revenue computations required by this section will authorize the implementation of the provisions of subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes beginning on the January 1 immediately following the February meeting.

If the amount determined pursuant to the provisions of paragraph 1 of this subsection is less than the amount determined pursuant to the provisions of paragraph 2 of this subsection, the Board shall make a finding that the revenue computations required by this section do not authorize the implementation of the provisions of subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes beginning with the January 1 immediately following the February meeting.

D. If the Board makes a finding that the revenue computations required by this section do not authorize the implementation of the provisions of subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes beginning with calendar year 2016 pursuant to the provisions of subsection C of this section, the procedures prescribed by subsection A, subsection B, and subsection C of this section shall be repeated by the State Board of Equalization for each successive two-year comparison. Once the income tax rate otherwise authorized pursuant to subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes has been implemented, such income tax rate shall be in effect for the tax years as prescribed by subparagraph (g) of paragraphs 1 and 2 of subsection C of Section 2355 of Title 68 of the Oklahoma Statutes.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 19 of Title 73, unless there is created a duplication in numbering, reads as follows:

A. There is hereby created in the State Treasury a fund for the Office of Management and Enterprise Services to be known as the "Oklahoma State Capitol Building Repair and Restoration Fund". The fund shall be a continuing fund, not subject to fiscal year

All monies accruing to the credit of said fund are hereby appropriated and may be budgeted and expended only for the purposes authorized by subsection B of this section. Expenditures from said fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

B. Upon the Legislature's determination that the repair and restoration of the Oklahoma State Capitol building is complete, any remaining monies in the Oklahoma State Capitol Building Repair and Restoration Fund shall be transferred to the Maintenance of State Buildings Revolving Fund established in Section 61.7 of Title 74 of the Oklahoma Statutes.

C. Notwithstanding any other provision of law, there shall be apportioned to the Oklahoma State Capitol Building Repair and Restoration Fund from the monies that would otherwise be apportioned pursuant to the provisions of Section 2352 of Title 68 of the Oklahoma Statutes, revenue derived pursuant to subsections B, C and D of Section 2355 of Title 68 of the Oklahoma Statutes, a sum of Sixty Million Dollars (\$60,000,000.00) for each of the fiscal years beginning on July 1, 2013, and July 1, 2014. Such apportionment shall be made in amounts and at such times as it is requested by the Director of the Office of Management and Enterprise Services.

SECTION 5. This act shall become effective July 1, 2013.
