3 there is created a duplication in numbering, reads as follows:

4       A. As used in this section, "tax credit" means a method by  
5 which a person or entity may reduce any state tax liability pursuant  
6 to a statutory authorization allowing the tax to be reduced either  
7 by a percentage or a specific dollar amount after the applicable tax

10 has been subtracted from a gross tax liability amount.

11       B. Any measure providing for a tax credit shall contain  
12 provisions pursuant to which any member of the public can determine  
13 the identity of any person or entity that benefits from the tax  
14 credit after it has been claimed upon a tax return.

15       C. Any tax credit shall provide for the creation of new jobs or

20 of credits that may be claimed by all taxpaying entities or both  
21 such limitations.

1 E. Any tax credit passed by the Legislature shall contain a

16 chamber at least twenty-four (24) hours prior to the occurrence of
