BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 56 O.S. 2011, Section 2002, as amended by Section 241, Chapter 304, O.S.L. 2012 (56 O.S. Supp. 2012, Section 2002), is amended to read as follows:

Section 2002. A. For the purpose of providing quality care enhancements, the Oklahoma Health Care Authority is authorized to and shall assess a Nursing Facilities Quality of Care Fee pursuant to this section upon each nursing facility licensed in this state, except that any facility operated by the Oklahoma Department of Veterans Affairs under control of the Oklahoma War Veterans Commission shall be exempt from the fee. Quality of care

1 enhancements include, but are not limited to, the purposes specified
2 in this section.

3 B. As a basis for determining the Nursing Facilities Quality of
4 Care Fee assessed upon each licensed nursing facility, the Oklahoma
5 Health Care Authority shall calculate a uniform per-patient day
6 rate. The rate shall be calculated by dividing six percent (6%) of
7 the total annual patient gross receipts of all licensed nursing
8 facilities in this state by the total number of patient days for all
9 licensed nursing facilities in this state. The result shall be the
10 per-patient day rate. Beginning July 15, 2004, the Nursing
11 Facilities Quality of Care Fee shall not be increased unless
12 specifically authorized by the Legislature.

13 C. The Nursing Facilities Quality of Care Fee owed by a
14 licensed nursing facility shall be calculated by the Oklahoma Health
15 Care Authority by adding the daily patient census of a licensed
16 nursing facility, as reported by the facility for each day of the
17 month, and by multiplying the ensuing figure by the per-patient day
18 rate determined pursuant to the provisions of subsection B of this
19 section.

20 D. Each licensed nursing facility which is assessed the Nursing
21 Facilities Quality of Care Fee shall be required to file a report on
22 a monthly basis with the Oklahoma Health Care Authority detailing
23 the daily patient census and patient gross receipts at such time and
24 in such manner as required by the Oklahoma Health Care Authority.

1 E. 1. The Nursing Facilities Quality of Care Fee for a
2 licensed nursing facility for the period beginning October 1, 2000,
3 shall be determined using the daily patient census and annual
4 patient gross receipts figures reported to the Oklahoma Health Care
5 Authority for the calendar year 1999 upon forms supplied by the
6 Authority.

7 2. The Nursing Facilities Quality of Care Fee for the fiscal
8 year beginning July 1, 2001, and each fiscal year thereafter shall
9 be determined by:

- 10 a. using the daily patient census and patient gross
11 receipts reports received by the Authority covering
12 the six-month period October 1 through March 31 of the
13 prior fiscal year, and
14 b. annualizing those figures.

15 For the 2005 fiscal year and each fiscal year thereafter, the
16 annualization of the Nursing Facilities Quality of Care Fee
17 specified in this paragraph shall be subject to the limitation in
18 subsection B of this section.

19 F. The payment of the Nursing Facilities Quality of Care Fee by
20 licensed nursing facilities shall be an allowable cost for Medicaid
21 reimbursement purposes.

22 G. 1. There is hereby created in the State Treasury a
23 revolving fund to be designated the "Nursing Facility Quality of
24 Care Fund".

1 2. The fund shall be a continuing fund, not subject to fiscal
2 year limitations, and shall consist of:

- 3 a. all monies received by the Authority pursuant to this
4 section and otherwise specified or authorized by law,
- 5 b. monies received by the Authority due to federal
6 financial participation pursuant to Title XIX of the
7 Social Security Act, and
- 8 c. interest attributable to investment of money in the
9 fund.

10 3. All monies accruing to the credit of the fund are hereby
11 appropriated and shall be budgeted and expended by the Authority
12 for:

- 13 a. reimbursement of the additional costs paid to
14 Medicaid-certified nursing facilities for purposes
15 specified by Sections 1-1925.2, 5022.1 and 5022.2 of
16 Title 63 of the Oklahoma Statutes,
- 17 b. reimbursement of the Medicaid rate increases for
18 intermediate care facilities for the mentally retarded
19 (ICFs/MR),
- 20 c. nonemergency transportation services for Medicaid-
21 eligible nursing home clients,
- 22 d. eyeglass and denture services for Medicaid-eligible
23 nursing home clients,

- e. ten additional ombudsmen employed by the Department of Human Services,
- f. ten additional nursing facility inspectors employed by the State Department of Health,
- g. pharmacy and other Medicaid services to qualified Medicare beneficiaries whose incomes are at or below one hundred percent (100%) of the federal poverty level; provided however, pharmacy benefits authorized for such qualified Medicare beneficiaries shall be suspended if the federal government subsequently extends pharmacy benefits to this population,
- h. costs incurred by the Oklahoma Health Care Authority in the administration of the provisions of this section and any programs created pursuant to this section,
- i. durable medical equipment and supplies services for Medicaid-eligible elderly adults, and
- j. personal needs allowance increases for residents of nursing homes and Intermediate Care Facilities for the Mentally Retarded (ICFs/MR) from Thirty Dollars (\$30.00) to Fifty Dollars (\$50.00) per month per resident.

4. Expenditures from the fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by

1 law with the Director of the Office of Management and Enterprise
2 Services for approval and payment.

3 5. The fund and the programs specified in this section funded
4 by revenues collected from the Nursing Facilities Quality of Care
5 Fee pursuant to this section are exempt from budgetary cuts,
6 reductions, or eliminations.

7 6. The Medicaid rate increases for intermediate care facilities
8 for the mentally retarded (ICFs/MR) shall not exceed the net
9 Medicaid rate increase for nursing facilities including, but not
10 limited to, the Medicaid rate increase for which Medicaid-certified
11 nursing facilities are eligible due to the Nursing Facilities
12 Quality of Care Fee less the portion of that increase attributable
13 to treating the Nursing Facilities Quality of Care Fee as an
14 allowable cost.

15 7. The reimbursement rate for nursing facilities shall be made
16 in accordance with Oklahoma's Medicaid reimbursement rate
17 methodology and the provisions of this section.

18 8. No nursing facility shall be guaranteed, expressly or
19 otherwise, that any additional costs reimbursed to the facility will
20 equal or exceed the amount of the Nursing Facilities Quality of Care
21 Fee paid by the nursing facility.

22 H. 1. In the event that federal financial participation
23 pursuant to Title XIX of the Social Security Act is not available to
24 the Oklahoma Medicaid program, for purposes of matching expenditures

1 from the Nursing Facility Quality of Care Fund at the approved
2 federal medical assistance percentage for the applicable fiscal
3 year, the Nursing Facilities Quality of Care Fee shall be null and
4 void as of the date of the nonavailability of such federal funding,
5 through and during any period of nonavailability.

6 2. In the event of an invalidation of this section by any court
7 of last resort under circumstances not covered in subsection I of
8 this section, the Nursing Facilities Quality of Care Fee shall be
9 null and void as of the effective date of that invalidation.

10 3. In the event that the Nursing Facilities Quality of Care Fee
11 is determined to be null and void for any of the reasons enumerated
12 in this subsection, any Nursing Facilities Quality of Care Fee
13 assessed and collected for any periods after such invalidation shall
14 be returned in full within sixty (60) days by the Oklahoma Health
15 Care Authority to the nursing facility from which it was collected.

16 I. 1. If any provision of this section or the application
17 thereof shall be adjudged to be invalid by any court of last resort,
18 such judgment shall not affect, impair or invalidate the provisions
19 of the section, but shall be confined in its operation to the
20 provision thereof directly involved in the controversy in which such
21 judgment was rendered. The applicability of such provision to other
22 persons or circumstances shall not be affected thereby.

23 2. This subsection shall not apply to any judgment that affects
24 the rate of the Nursing Facilities Quality of Care Fee, its

1 applicability to all licensed nursing homes in the state, the usage
2 of the fee for the purposes prescribed in this section, and/or the
3 ability of the Oklahoma Health Care Authority to obtain full federal
4 participation to match its expenditures of the proceeds of the fee.

5 J. The Oklahoma Health Care Authority shall promulgate rules
6 for the implementation and enforcement of the Nursing Facilities
7 Quality of Care Fee established by this section.

8 K. The Authority shall provide for administrative penalties in
9 the event nursing facilities fail to:

- 10 1. Submit the Quality of Care Fee;
- 11 2. Submit the fee in a timely manner;
- 12 3. Submit reports as required by this section; or
- 13 4. Submit reports timely.

4 facilities under Oklahoma's Medicaid reimbursement methodology"
5 means both state and federal Medicaid expenditures including, but
6 not limited to, funds in excess of the aggregate amounts that would
7 otherwise have been paid to Medicaid-certified nursing facilities
8 under the Medicaid reimbursement methodology which have been updated
9 for inflationary, economic, and regulatory trends and which are in
10 effect immediately prior to the inception of the Nursing Facilities
11 Quality of Care Fee.

12 M. If any provision of this section, or the application
13 thereof, is determined by any controlling federal agency, or any
14 court of last resort to prevent the state from obtaining federal
15 financial participation in the state's Medicaid program, such
16 provision shall be deemed null and void as of the date of the
17 nonavailability of such federal funding and through and during any
18 period of nonavailability. All other provisions of the bill shall
19 remain valid and enforceable.

20 SECTION 2. AMENDATORY 63 O.S. 2011, Section 1-890.4, is
21 amended to read as follows:

22 Section 1-890.4. A. Each application for establishment of a
23 continuum of care facility or assisted living center shall be
24 accompanied by a nonrefundable application fee. The State Board of

14 additional remedies provided under the Nursing Home Care Act. If a
15 continuum of care facility's failure to comply with the Continuum of
16 Care and Assisted Living Act or rules involves adult day care
17 services, then the Commissioner shall have authority to exercise

22 Procedures Act.

23 F. For Continuum of Care and Assisted Living facilities
24 operated by the Oklahoma Department of Veterans Affairs under

4 Veterans Affairs nursing facility, it shall be the duty of the State
5 Department of Health to initiate a complaint with the appropriate

18 effective date of this provision in order to permit an equitable
19 distribution of license expiration dates to all months of the year.

20 B. The fee for a license amendment to reflect an increase in
21 bed capacity shall be prorated based on the number of days remaining
22 in the licensure period and the change in the number of beds, except
23 that any facility operated by the Oklahoma Department of Veterans
24

1 Affairs under control of the Oklahoma War Veterans Commission shall
2 be exempt from the fee.

3 C. The issuance or renewal of a license after notice of a
4 violation has been sent shall not constitute a waiver by the State
5 Department of Health of its power to rely on the violation as the
6 basis for subsequent license revocation or other enforcement action
7 under this act arising out of the notice of violation.

8 D. 1. When transfer of ownership or operation of a facility is

23 and standards. All inspections of facilities shall be unannounced.
24

1 The Department may have as many unannounced inspections as it deems
2 necessary.

3 2. Any employee of the State Department of Health who discloses
4 to any unauthorized person, prior to an inspection, information
5 regarding an unannounced nursing home inspection required pursuant
6 to the provisions of this section shall, upon conviction thereof, be
7 guilty of a misdemeanor. In addition, such action shall be
8 construed to be a misuse of office and punishable as a violation of
9 rules promulgated by the Ethics Commission.

10 3. a. The Department may periodically visit a facility for
11 the purpose of consultation and may notify the

2 in accordance with the provisions of the State Travel
3 Reimbursement Act.

4 d. An employee of a state or unit of a local government
5 agency, charged with inspecting, surveying, and
6 evaluating facilities, who aids, abets, assists,
7 conceals, or conspires with a facility administrator
8 or employee in violation of the provisions of the
9 Nursing Home Care Act shall be guilty, upon conviction
10 thereof, of a misdemeanor and shall be subject to
11 dismissal from employment.

12 C. The Department shall hold open meetings, as part of its
13 routine licensure survey, in each of the licensed facilities to
14 advise and to facilitate communication and cooperation between
15 facility personnel and the residents of facilities in their mutual
16 efforts to improve patient care. Administrators, employees of the
17 facility, residents, residents' relatives, friends, residents'
18 representatives, and employees from appropriate state and federal

20 to this process.

21 D. 1. The Department shall require periodic reports and shall
22 have access to books, records, and other documents maintained by the
23 facility to the extent necessary to implement the provisions of the
24 Nursing Home Care Act and the rules promulgated pursuant thereto.

1 2. Any holder of a license or applicant for a license shall be
2 deemed to have given consent to any authorized officer, employee, or
3 agent of the Department to enter and inspect the facility in
4 accordance with the provisions of the Nursing Home Care Act.
5 Refusal to permit said entry or inspection, except for good cause,
6 shall constitute grounds for remedial action or administrative
7 penalty or both such action and penalty as provided in the Nursing
8 Home Care Act.

9 E. The Department shall maintain a file on each facility in the
10 state. All conditions and practices not in compliance with
11 applicable standards shall be specifically stated. If a violation
12 is corrected or is subject to an approved plan of correction, such
13 action shall be contained in the file. Upon receiving a written
14 request for a copy of the file documents, the Department shall send
15 a copy of the document to any person making the written request.
16 The Department may charge a reasonable fee for copying costs.

18 amended to read as follows:

19 Section 1-1912. A. The State Department of Health shall
20 promptly serve a notice of violation upon a licensee whenever upon
21 inspection or investigation, the Department determines that:

22 1. The facility is in violation of the Nursing Home Care Act,
23 any rule promulgated thereunder, or applicable federal certification
24 criteria; or

4 B. Each notice of violation shall be prepared in writing and
5 shall specify the nature of the violation, and the statutory
6 provision, rule or standard alleged to have been violated. The
7 notice of violation shall inform the licensee of its obligation to
8 file a plan of correction within ten (10) working days of receipt of
9 the notice of violation. In the case of a specialized facility for
10 persons with mental retardation, the Department shall offer the
11 licensee an informal opportunity comparable to the process offered
12 to Medicaid-certified nursing facilities pursuant to 42 CFR 488.331,
13 in order to dispute the alleged violations.

14 C. The Department shall notify the licensee of its intent to
15 take any remedial action, impose administrative penalties, place a
16 monitor or temporary manager in the facility, issue a conditional
17 license, or suspend or revoke a license. The Department shall also
18 inform the licensee of the right to an informal dispute resolution,
19 hearing, or both.

20 D. Whenever the Department finds that an emergency exists
21 requiring immediate action to protect the health, safety or welfare
22 of any resident of a facility licensed pursuant to the provisions of
23 this act, the Department may, without notice of hearing, issue an
24 order stating the existence of such an emergency and requiring that
