**Research Analysis**

The Committee Substitute for HB1060 provides that any court, arbitration, tribunal or administrative agency ruling based on foreign law that suppresses the fundamental liberties, rights and privileges granted by the US and Oklahoma Constitution is void and unenforceable. A corporation, partnership or limited liability company, business association or other legal entity is exempt and may choose to subject itself to foreign law. Foreign law is defined as any law, legal code, or system of a jurisdiction outside of any state or territory of the United States, including international organizations and tribunals, and applied by that jurisdiction's courts, administrative bodies or other formal or informal tribunal.
