Research Analysis

Pending

HB 1588, as introduced, creates the “Parental Notification for Abortion Act.” The measure requires 48 hours to have passed after written notice of a pending abortion to a parent before an abortion is performed or induced upon an unemancipated minor. If a medical emergency abortion is performed, a notice must be sent to the parent within 24 hours after the procedure. Finally, a notice is not required if the parent has stated in a notarized writing that they have been informed, or if the pregnant female declares she is a victim of sexual or physical abuse by a parent.
