Research Analysis

The measure provides for the transfer of the technology and telecommunications functions of the Oklahoma State Regents for Higher Education and OneNet to the Chief Information Officer and outlines a process for that transfer. Information technology assets must be transferred by January 1, 2014, and the costs of operation, maintenance, licensing and service will remain the responsibility of OneNet and the Regents until July 1, 2014. Information technology positions will be transferred to the CIO by February 1, 2014.
