

BILL SUMMARY
1st Session of the 54th Legislature

Bill No.:	HB 1932
Version:	CS
Request Number:	7382
Author:	Jackson
Date:	3/8/2013
Impact:	No state impact

Research Analysis

The committee substitute for HB 1932 grants to incumbent electricity transmission owners the right of first refusal to construct, own, and maintain a transmission facility approved for construction. The incumbent owner must respond to the “direction to construct” within 90 days of its receipt; if the owner does not respond within 90 days, the owner surrenders the right to construct, own, and maintain the electricity transmission facility.
