

BILL SUMMARY
1st Session of the 54th Legislature

| | |
|------------------------|-------------------|
| Bill No.: | HB1932 |
| Version: | Introduced |
| Request Number: | 6193 |
| Author: | Jackson |
| Date: | 2/18/2013 |
| Impact: | Pending |

Research Analysis

HB 1932, as introduced, grants incumbent electricity transmission line owners the right to construct, own, and maintain a transmission line approved for construction. The incumbent owner must respond to the “direction to construct” within 90 days of its receipt; if the owner does not respond within 90 days, the owner surrenders the right to construct, own, and maintain the electricity transmission line.
