Date:	3/6/2013
Impact:	OMES:
	Continuation of Efficiency
	Initiatives and Conformity of Statutes
	To Consolidated Agency

Research Analysis

Not required.

Prepared By: Marcia Goff

Fiscal Analysis

The measure relates to the operation, management and oversight of property, construction and facilities. The Office of Management and Enterprise Services (OMES) has indicated the measure is a continuation of on-going efforts to improve the efficiency and effectiveness of the operation and management of state facilities and construction activity. It is believed that improvements in efficiency will result in lower cost service delivery and other costs related to state properties.
