**Research Analysis**

HB 2073 provides legislative findings that the U.S. Constitution does not grant Congress the power to enact the “Patient Protection and Affordable Care Act” and the “Health Care and Education Reconciliation Act of 2010”, and interferes with the State of Oklahoma to regulate health care. Declares that the “Patient Protection and Affordable Care Act” and the “Health Care and Education Reconciliation Act of 2010” are declared invalid in Oklahoma and are not to be recognized and considered null and void. Directs the Legislature to adopt and enact measures as may be necessary to prevent the enforcement of the “Patient Protection and Affordable Care Act” and the “Health Care and Education Reconciliation Act of 2010”. Establishes a felony crime for any official, agent or employee of the United States government or any employee of a corporation providing services to the government that enforces the “Patient Protection and Affordable Care Act” and the “Health Care and Education Reconciliation Act of 2010”. Punishment is a fine of up to \$5,000, up to 5 years imprisonment or both fine and imprisonment. State officials or employees enforcing any provisions of the “Patient Protection and Affordable Care Act” and the “Health Care and Education Reconciliation Act of 2010” face a misdemeanor penalty punishable by a fine of not more than \$1,000, up to 2 years in the county jail or both fine and imprisonment. Allows an aggrieved party to have a private cause of action.
