Research Analysis

HB 2328 directs the Department of Public Safety to issue annual vehicle permits to a transportation company or manufacturer of portable buildings for the movement of oversize portable buildings. The measure establishes a 12 foot width, 14 foot height and 45,000 pound limit. The fee for the permit is established as \$500. Allows the Department to replace a lost or destroyed permit for a fee of \$25. Requires the Oklahoma Load Limit Map to be made available on the internet and updated every 6 months.
