Fiscal Analysis

HB 2766 has been reviewed and determined to have little fiscal impact on state revenues. At this time, it is impossible to know how many animal crematory licenses will be purchased from the Oklahoma Funeral Board. Further, it is impossible to know how much the associated administrative fees will add to the agency's budget.

Animal Crematory License: \$250.00

Administrative Service Fee: \$200.00 or less

Renewal Fee: Doubled if not paid on or before December 31 of each year.
