

BILL SUMMARY
2nd Session of the 54th Legislature

Bill No.:	HB 2952
Version:	FULLPCS1
Request Number:	10202
Author:	Rep. Quinn
Date:	2/26/2014
Impact:	Fee Revenue Intended to Offset Program Costs; Revenue Dependent On Participation

Research Analysis

Not required.

Prepared By: Marcia Goff

Fiscal Analysis

The measure authorizes the Cooperative Extension Service to establish procedures for examination and accreditation of county officers, candidates for county office and other persons, establish a registration system and standards for the programs and to charge a fee to any person seeking training and accreditation from the Service. Costs to establish and maintain the training, examination and accreditation programs are intended to be offset by the collection of the authorized fee, the amount of which is dependent on participation in the programs.

Prepared By: Mark Tygret

Other Considerations

None.
