Research Analysis

SB 2120 prohibits a person who is first licensed by the Department of Rehabilitation Services as a vending operator on or after November 1, 2015 from participating in the Oklahoma Public Employee Retirement System (OPERS) defined benefit plan, and authorizes them to participate in the OPERS defined contribution system. The measure also exempts employees of a county, county elected officials, county hospital, city or town, conservation district, circuit engineering district or certain public or private trusts from participation in the defined contribution plan.
