Research Analysis

Engrossed SB 235 adds the term “veteran” to “ex-service person.” This includes honorably discharged persons that served in any branch of the uniformed services. The measure modifies the provisions extended to persons serving in the U.N. forces. Additionally, Oklahoma veterans homes will now be termed centers, and they will be under the management and control of the Oklahoma Department of Veterans Affairs. The Department will be responsible for assuring the protection of the rights of all residents, including the right to be free of neglect and abuse.
