Research Analysis

SB374 establishes criteria for boat rental businesses operating in state parks. The measure requires boat rental businesses to have:

- a valid written contract with the Oklahoma Tourism and Recreation Department or the agency that owns the lake;
- a marine license issued by the state;
- a visible, commercially accessible public location;
- a tax permit and any other required local permit;
- minimum \$1,000,000 commercial liability insurance policy;
- minimum \$1,000,000 commercial automobile policy.

The business would be subject to a 10% commission payable to the Department and annual audits. Failure to meet the minimum requirements may be punishable by a fine up to \$500 or 30 days of imprisonment, or both.
